The Tailoring Book Measuring. Cutting. Fitting. Altering. Finishing

Alison Smith

The only book you will ever need to create a tailored garment

THE PITCH

- BEST-SELLING, EXPERT AUTHOR: Alison Smith MBE is known as the 'Mary Berry' of tailoring, her DK sewing bible, The Sewing Book has sold over 500,000 copies worldwide
- UNBEATABLE SCOPE: Detailed coverage of key equipment and techniques, garment projects and tips on repairs and alterations. It takes the reader from the basics through to couture techniques
- UNIQUE PROPOSITION: Other titles focus solely on mens- or womenswear, and only on one tailoring technique (namely traditional hand stitching) - this book covers everything including modern fusibles. Projects are suitable for all genders and body shapes
- PERENNIALLY ON TREND: Tailored garments are always in fashion, for those who want a unique item for a special work or a special occasion, as well as for costume and couture (Forbes, Jan 2023)

With over 80 step-by-step techniques on measuring, cutting, altering and finishing, this is the only book you will need to create and alter a tailored garment.

Alison Smith MBE is one of the world's leading tailoring experts, and, in her new book, she reveals trade secrets and all the practical know-how necessary to master this heritage craft. The Tailoring Book is the latest title in Smith's best-selling sewing series and covers everything from choosing patterns and fabrics, to fitting and construction, including techniques that can be applied to both womens- and menswear.

Discover everything you need to know to tailor garments - from selecting the right tools, to creating a toile, and picking the perfect hand stitch. Through 10 detailed garment projects, including shirts, jackets, coats, and trousers, you'll master the techniques of tailoring, with step-by-step instructions and downloadable patterns that guide you through every part of the process.

Whether you want to alter a vintage jacket or create a full tailored suit, this comprehensive reference guide has everything you need to produce elegant, bespoke garments that can last a lifetime.

THE AUTHOR

Alison Smith MBE is one of the UK's most celebrated fashion and textile teachers and one of DK's best-selling authors. Her School of Sewing, based in Leicestershire, has been open for over 30 years, and in 2013 Alison was awarded an MBE for services to Sewing and Corsetry. She hosts her own online teaching platform - the School of Sewing Members Club. Alison has also taught at Liberty London.

A History of Ghosts, Spirits and the Supernatural

A spine-chilling illustrated history

THE PITCH

- HAUNTING ACCOUNT A serious but reader-friendly overview of a fascinating and controversial subject that explores the supernatural across the world and throughout history
- SPOOKY AS HELL Packed with ghoulish photographs, creepy illustrations, and sinister historical artefacts
- PARANORMAL POPULARITY Ghosts and the supernatural are more popular than ever – the podcast *Uncanny* has had more than 8 million downloads, and #ghosts has 79.2 billion views on TikTok
- SERIES MAGIC A History of Magic, Witchcraft and the Occult has sold 130,000+ copies worldwide

THE BOOK

Discover the spine-chilling history of ghosts and the supernatural across the world in this stunningly illustrated guide.

A History of Ghosts, Spirits and the Supernatural charts the extraordinary narrative of one of the most fascinating and controversial subjects in the world, covering everything from Neolithic ancestor-worship and ancient necromancy to modern-day ghost-hunting and "creepypasta" tales, and from the Japanese onryo ("vengeful spirit") to the La Llorona ("weeping woman") of Latin America.

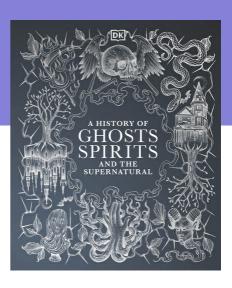

The perfect introduction to the subject, this spellbinding volume details the numerous ways in which spirits and the spirit world have been depicted in myth and religion, folklore, art, and literature, and recounts infamous tales of haunted houses and ghost ships, séances and mediumship, poltergeists, possessions, and demonic encounters.

Features profile other ghostly or "undead" beings such as vampires and werewolves, and explore the numerous reasons that ghost stories and tales of the uncanny are a common feature of cultures the world over. Entries also explore scientific theories around ghosts and hauntings, such as stone-tape theory (the idea that spirits can leave a sound impression on audio tape) or Kirlian photography (images of electrical discharges at the point of death).

The most comprehensive and lavishly illustrated history of the subject available, A History of Ghosts, Spirits and the Supernatural will shock and delight you in equal measure - whether you are a believer or a sceptic.

Cannabis

Everything You Need to Grow Marijuana Indoors and Outdoors

Kevin Oliver

Cultivate your personal cannabis crop with expert techniques and know-how.

THE PITCH

- PROVEN SUCCESS: The original edition of this book sold more than 14,000 copies since publication in 2016.
- UPDATED CONTENT: Up to 20% of this book will be updated to include new laws, growing techniques, etc.
- INCREASED INTEREST, FEWER LEGAL BARRIERS: Cannabis is now legal in some form in 38 states, and according to a study done by Gallup's 2023 annual Consumption Habits survey, 50% of young adults ages 18–34 indulge in cannabis.

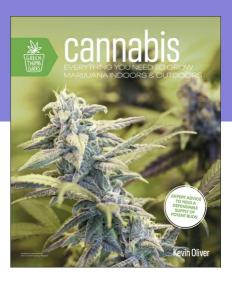

As marijuana laws in the United States become less restrictive, even more people are searching for basic marijuana gardening instructions. Cultivating marijuana isn't like growing other plants, especially if you desire maximum potency and yield. It requires special care from the soil, water and nutrients to the temperature, light and ventilation around the plants. Growing Marijuana covers it all—in a simple, concise way to help you increase both the quality and yield of your personal harvest.

Here's what you'll find in this updated and visual guide:

- Instructions on how to grow and maintain a small marijuana garden for your own noncommercial use
- More than 500 full-color photos and illustrations
- The full spectrum of options available for growing marijuana, from indoor, climate-controlled systems to open-air and outdoor growing
- Time-tested and modern methods for strain selection, disease and pest prevention and proper plant nutrition
- Expert advice to yield a consistent and dependable supply of buds

THE AUTHOR

Kevin Oliver is on the board of directors of the National Organization for the Reform of Marijuana Laws (NORML) and cofounded Washington's Finest Cannabis in 2014. He has received three *Dope* magazine Industry Awards and has been interviewed by print and television media around the world for his perspectives on cannabis cultivation and policy reforms.

My Very Important Lift-the-Flap Book Farm With More Than 80 Flaps to Lift

An interactive lift-the-flap farm book for inquisitive young readers

THE PITCH

- BEST-SELLING SERIES: An interactive spin-off series to the best-selling My Encyclopedia of Very Important Things series, which has sold more than 2,000,000 copies worldwide (Source: DK Global Sales Portal, February 2024)
- EXCITING FLAPS: Flaps are integrated into the design and are fully interactive, to show children the fun of farm life
- **SUPPORTS DEVELOPMENT:** Lift the flap books have been found to help children develop their fine motor skills (Baby Sparks, 2020)
- EDUCATIONAL CONTENT is presented in an exciting way, including blending illustrations with photography so children can learn and recognise real objects whilst enjoying the fun illustrated scenes

THE BOOK

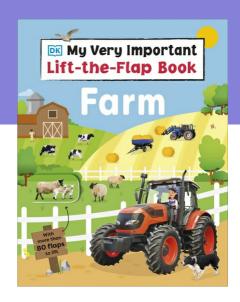

Lift the flaps to experience the fun of the farm through the seasons.

Take a tour of the farm and discover what a fun-packed year on a farm looks like. Watch the farmer care for adorable baby animals, plant seeds to grow crops, make hay bales, and take delicious harvested goods to market.

Lift more than 80 flaps to discover exciting surprises like fluffy little lambs and other farm animals exploring the farm, colourful vegetables growing in the fields, combine harvesters harvesting the crops, tasty fruit being picked in the orchard, and produce being packed, displayed, and sold at the busy farmers' market.

Fun and educational text teaches children about the people, plants, and animals that live on the farm. In addition, simple, age-appropriate questions invite young readers to recall information, or to explore the scenes for clues before lifting the flaps to reveal the answers.

This book is perfect for any little animal, tractor, or farm lover. Get your wellies on and get farming!

Bedtime Books

A Lovable Introduction to Animals and Dinosaurs

Zeshan Akhter and Dean Lomax

Gorgeously illustrated books for bedtime, for young animal and dinosaur enthusiasts

THE PITCH

- INTRODUCES ANIMALS AND DINOSAURS: A must-have, two-book introduction to a wide variety of animals
- ACCESSIBLE FOR YOUNG CHILDREN: Introduces essential information about each species in a friendly way
- STUNNING ILLUSTRATIONS: With light annotation of key features, a bright colour palette, a fresh feel, and newly commissioned artwork
- REINFORCES EARLY VOCABULARY: Builds awareness of connections in the animal kingdom, introducing dinosaur and animal vocabulary

Get to know more than 100 of the world's favourite dinosaurs and animals, with this essential illustrated introductory series.

Containing two titles; *The Bedtime Book of Dinosaurs*, and *The Bedtime Book of Animals*, this must-have box set features a wide variety of animals, from teeny-tiny insects to gigantic elephants and whales, as well as dinosaurs and other prehistoric life. Every page is filled with beautiful illustrations, storybook text, and highlighted key terms.

The Bedtime Book of Dinosaurs

Young readers can explore the earliest life that appeared in the ocean, and the giant dinosaurs and wonderfully weird creatures that followed them. With well-known favourites, such as Tyrannosaurus and Triceratops, as well as lesser-known discoveries, including Yi and Changmiania, there is something for every young fan of the prehistoric world.

The Bedtime Book of Animals

Young children can turn each page to find out more about animals around the world. This book showcases creatures from each of the core animal groups (mammals, birds, reptiles, amphibians, fish, and invertebrates) in six dedicated chapters. Many pages are devoted to individual creatures or families, and there are also reference pages that dive in deeper to explore food chains and habitats.

This is a friendly, factual, timeless gift box set that will be treasured for years to come.

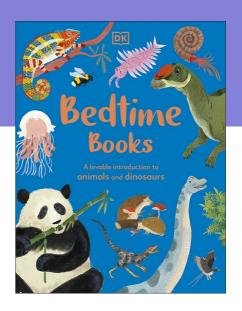

THE AUTHOR

For Bedtime Book of Animals

Zeshan Akhter writes picture books and young adult fantasy. Her writing reflects her wonder of existence, her ethnic ancestry and her empathy for the suffering of people. Having studied zoology at Cardiff University, Zeshan has worked in nature conservation for eighteen years. She has concluded that the bewildering variety of life on earth, and the cosmos itself, are improbable! Zeshan lives in Edinburgh between the sea, the hills and the cultural banquet of that beautiful city.

For Bedtime Book of Dinosaurs

Dr Dean Lomax is a palaeontologist, presenter, and author. He has loved dinosaurs since he was a child and is now a world expert on ichthyosaurs -

Words of Love

A Friend for Little Ones When They Need it the Most

Jake Biggin

An extraordinary book of love, inspiration, and comfort for little people with big feelings

THE PITCH

- REFRESHING TAKE: Addresses the worries of children, offering short but sweet advice from a charming character. This is usually done through more traditional picture-books, making this a new and exciting offering
- RE-READ POTENTIAL: Universal messages make this something children can turn to again and again, throughout their lives
- COMBINES MAGICAL ILLUSTRATION AND MEANINGFUL TEXT: The illustrations have the charm of The Boy, The Mole, The Fox and The Horse and the text is brimming with depth and wisdom
- PROMOTES SOCIAL AND EMOTIONAL SKILLS: Ensures children deal with problems and anxieties, which will prove useful throughout their lives. Teaches them the importance of emotion, empathy and communication (Healthline, 2022)

THE BOOK

A helping hand for difficult moments, this book is about the big things little ones face, and a clever little sausage dog who provides comforting words of love.

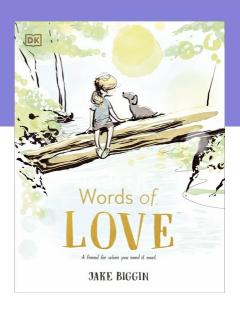

This is the first in a series of four books by author and illustrator, Jake Biggin. Created due to Biggin's desire to help his children navigate this strange post-pandemic world, he's aware that even little ones have their own questions, worries, and challenges, and that the answers are not always clear-cut.

Each book in this enchanting series looks at different worries kids face, from feelings of self-doubt to how to make friends. Readers will find a loyal companion and mentor in the little sausage. He is the loving friend we wished we had growing up, and one with whom we want to overcome life's ups and downs.

With charming illustrations throughout, the magic of the series' first book is that it captures the thoughts and feelings we all have, throughout our lives, and offers supportive words of love, making it the perfect gift for anyone looking for a little hope and comfort.

THE AUTHOR

Jake Biggin, a father of two, living in North London, has created this series to support children through the post-pandemic world. It's the perfect gift for all stages of life, and helps readers face any worries. Jake is the illustrator of 'Big Little Hearts', a series which looks at children's worries, such as grief, and is presented in picture book format. Each title has been a number 1 Hot New Release on Amazon. For the last few years, Jake's participated in virtual book tours via Instagram, so he'll be great for events and promotional activities.

Why? Encyclopedia Brilliant Answers to Baffling Questions

This accessible and exciting reference book covers the key questions across key topics, from science and history, to space and the human body

THE PITCH

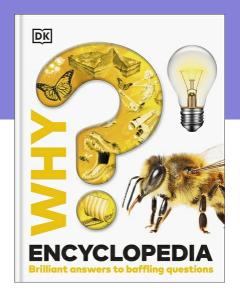

- POPULAR SERIES: Latest in the Why? Encyclopedia series, which has a worldwide lifetime sales volume of over 640,000 sold for the sales value of over £2,300,000
- VAST CONTENT: this encyclopedia covers many key topics across biology, physics, chemistry, geography, and history
- ACCESSIBLE FORMAT: Each spread is structured around a question that a child would actually ask, providing young readers with a reassuring route into the subject
- **EDUCATIONAL VISUALS**: CGI artworks and enhanced photos show details that photos can't, such as the inside of a volcano or a kingfisher's wing

THE BOOK

This perfect first reference book brings key subjects - such as science, geography, and history - to life. Lavish 3D digital illustrations and an interactive question-and-answer format together create an engaging and accessible insight into a number of key topics.

Why? Encyclopedia focuses on the subjects children really want to know about. It covers all of the areas you would expect in a kids' encyclopedia - including space, animals and the human body - but presents each through questions kids ask, such as "Why does it rain?". Answers are provided through a combination of eye-catching CGI artworks, enhanced photographs, and clear text explanations.

This refreshed version of the first book in a hugely successful series (over 640,000 copies sold worldwide) brings the latest updates in ever-changing topics, such as space exploration, as well as a number of new pages on interesting topics, including artificial intelligence, climate change, pandemics, and gravity.

Super Simple PsychologyThe Ultimate Bitesize Study Guide

All the essential topics for A-level Psychology in one handy study guide

THE PITCH

- COMPETITION BEATER: Fills a gap in the market for a one-stop shop revision guide to Psychology that makes the subject accessible to all students
- BITESIZE CHUNKS: Psychology students are often overwhelmed by the vast amounts of content they are faced with - Super Simple Psychology's concise, visual approach cuts through unnecessary information and focuses on the essentials
- STUDENT APPEAL: There is a huge market for revision aids, especially for the core subjects: in the UK, approximately 806,000 students took A levels in 2023
- ENGAGED LEARNERS: In the UK, Psychology is the second most popular subject at A level (after Maths), with 80,500 students taking it in 2023

THE BOOK

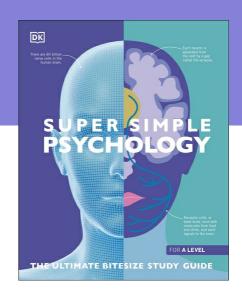

This easy-to-use Psychology study guide has everything A-level students need to help them get to grips with this fascinating subject. Super Simple Psychology breaks down complex information into manageable, bitesize chunks, and it covers all the key topics, ranging from brain anatomy and memory to phobias and types of therapy.

Each page covers one topic and is designed and illustrated to make the facts easy to understand and remember, and to bring the subject to life. Information panels explain and analyse key theories and studies, with the help of simple graphics. A useful "Key facts" box on every page provides a summary to help with revision.

With clear and straightforward coverage of all the core Psychology topics, *Super Simple Psychology* is the perfect companion for students looking for concise information to support them with classwork, homework, and exams.

DK Super Phonics My First Decodable StoriesHaircut Hippos

Help your child learn to read with *Haircut Hippos*, the perfect phonic books for beginners.

THE PITCH

- DECODABLE TEXTS: Once children have been taught letter/sound correspondences, they can sound out words that they cannot yet read within controlled decodable texts
- **SYSTEMATIC SCAFFOLDING:** Starting by introducing only a few sounds and letters at a time (Stage 1 introduces only five sounds: s, a, t, i, m), the reader can experience success from the very beginning
- CUMULATIVE PROGRESSION: Allows for previous learning to be included as the reader progresses. This ensures that what has been learned is included and practised along the way
- BUILDS VOCABULARY: As children learn to decode a growing number of words, new words are introduced which will help them develop their language skills

THE BOOK

Learn to read with *Haircut Hippos*, the perfect phonic books for beginners!

Specially developed to introduce young children to phonics and support their first steps in learning to read. Children will love joining twin hippos, Pat and Don, as they team up to run their hair salon.

Eight delightful books introduce the sounds of the alphabet in small stages allowing independent reading from the outset. Each book contains a word list for blending practice and a game to enjoy together!

Haircut Hippos covers the following essential first sounds:

Book 1: s, a, t, i, m Book 2: n, o, p

Book 3: b, c, g, h

Book 4: d, e, f, v

Book 5: k, l, r, u Book 6: j, w, z

Book 7: x, y, ff, II, ss, zz

Book 8: CVC (consonant-vowel-consonant words)

A Parents' Guide to Phonics with advice and activity ideas is also included.

Nina and the Mysterious Mailbox

Marti Dumas

When Nina writes a letter to Cleopatra, she's astonished when the last Pharaoh herself writes back—it's the start of an incredible adventure as Nina and her friends become pen pals with great women of the past!

THE PITCH

- AUTHOR ON THE RISE Author Marti Dumas is a rising star in the middle-grade space. She is an author, educator, and mom based in New Orleans. Her Wildseed Witch series was snapped up in a pre-empt by Abrams, and she co-wrote Zaila Avant-Garde's New York Times bestseller It's Not Bragging If It's True.
- PITCH PERFECT TONE Marti captures the joy and messiness of middle school in an authentic way. Our protagonist Nina is whip-smart and hilarious —readers will relate to and root for her the whole way through.
- MAKES HISTORY FUN True to the Rebel Girls ethos, this series incorporates stories and facts about incredible women throughout history in a fun and accessible way, making it a perfect addition to schools and libraries.
- A TOUCH OF MAGIC Fantasy is a top genre for this age group, and this
 will be our first series that includes a touch of magic. The inclusion of a
 mysterious mailbox and time travel elements add an exciting twist to keep
 readers intrigued and engaged.

THE BOOK

A school election.
A mysterious mailbox.
And a letter from . . . Cleopatra?

Middle school is so weird. That's the thought running through Nina Warren-West's head in her first weeks at Ada Lovelace Middle School. Little does she know, it's about to get even weirder.

Nina's best friend Maya has her heart set on being elected class representative. The trouble is, she's running against the super popular Kai Nakamura. Together, the girls come up with a plan to expose Kai's less than honorable intentions. But things go wrong—like seriously wrong. Let's just say it involves a malfunctioning robot and a deck of tarot cards. As a result, Nina is given her first ever detention. There, she has an assignment: write a letter to a woman from history. Dear Cleopatra, Nina starts. She scribbles and scribbles and soon detention is over.

On a long-cut home, Nina and Maya stumble upon a battered old mailbox in the woods. The girls drop Nina's letter into it, hoping that's the end of this terrible day. Turns out, it's only the beginning. Because the next day, when Nina checks the mail, she finds something mysterious, magical, and totally impossible: a giant scroll adorned with hieroglyphics and a single signature at the bottom: Cleopatra VII Thea Philopator.

As the girls scramble to put Cleopatra's strategy for winning their school election into action, a mystery unfolds: Did this letter really come from the past? If so, how? There's only one way to find out. But who should they write to next?

A Tale of Two Titties

A Writer's Guide to Conquering the Most Sexist Tropes in Literary History

Meg Vondriska

The breast-kept secret male authors never wanted you to know...

THE PITCH

- A social media darling with a vide and varied audience: The author runs the hilarious @MenWriteWomen X, formerly known as Twitter, account, which boasts more than 70k followers, including Seth Rogen and Lin-Manuel Miranda
- Feminist commentary at its hilarious best: More than man-bashing, the author's feminist take on men writing women is empowering, incredibly relevant for today's issues, and laugh-out-loud funny
- Giftable for so many audiences: Jaw-dropping examples (surely James Patterson didn't write that!), snarky humor, and interactive writing exercises that make this book an incredible gift for all readers and writers, regardless of their gender identity

THE BOOK

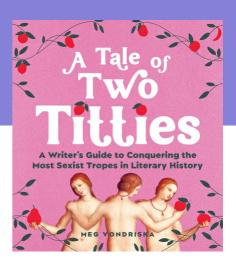

From the brilliantly funny (and rightfully furious) creator of the viral Men Write Women Twitter account

Let's face it, women's representation in literature really sucks. And that's mostly because of the male authors who write female characters like they're nothing more than playthings in their stories. Whether they have breasts like ripe peaches or curves like a racetrack, the literary ladies gracing the pages of bestselling books rarely serve a purpose beyond supporting a male character (or giving him something to fantasize about).

But what are you supposed to do about it if you can't even get a foot (or, I guess, a boob) in the door?

You beat them at their own game.

In this hilarious yet incisive guide, you'll learn how to write women just like a bestselling male author—stereotypes, tropes, objectification, and all—so you can start dismantling the system from the inside. With thoughtful literary analysis, interactive exercises, and commentary that perfectly straddles the line between satirical hilarity and righteous indignation, *A Tale of Two Titties* is both an illuminating study of women's representation in literature and an absurd (yet accurate) guide to writing through the male gaze.

From the *USA Today* bestselling author of the Brutal Birthright series comes a dark college mafia romance series. Welcome to Kingmakers, the most brutal college in the world.

Bound by blood, tom by love...

In the shadowed halls of Kingmakers, a ruthless mafia university, the offspring of the world's most feared families come to master the dark arts of influence and intimidation.

Leo, unwaveringly loyal to his childhood friend, Anna, follows her into a world where love is a weapon, trust is a casualty, and survival is the only victory that matters.

But the greatest danger comes from Dean Yenin, a Bratva heir with a vendetta as cold as his heart. Dean plans to destroy Leo and take everything he holds dear, starting with Anna.

Can Leo win back his soul mate? Or is Anna lost forever?

Sophie Lark is the *USA Today* bestselling author of *Brutal Prince* and the Sinners Duet. She lives in Southern California with her husband and three children. Her favorite authors are Emily Henry and Freida McFadden, and she looks forward to Halloween every year.

7th Circle

Tate James

The first book in TikTok sensation Tate James's Hades series, a spicy and suspenseful "why choose" romance connected to the world of Madison Kate. Twenty-three-year-old Hayden "Hades" is the most powerful gang leader in Shadow Grove...but new dangers and new feelings might just threaten her circle of hell.

THE PITCH

- TikTok sensation: Tate James is a growing force on social media, with over 13 million views on #TateJames and 9 million on #MadisonKate as of mid-May 2023.
- Eager fans: Readers devour these books and are begging for more. Tate had over 4000 preorders for her most recent Book Bonanza event, and the Madison Kate series has almost 300 million page reads on Amazon.
- **Tropes and heat level:** reverse harem/"why choose," bully romance, enemies to lovers, mafia romance, forced proximity; R++ very high heat
- Author location: Tate lives in Australia, but her books take place in the USA and she has a large international fanbase, frequently attending overseas events such as Book Bonanza.

THE BOOK

From the author of the Madison Kate series comes the dark and delicious interconnected Hades series, another biting "why choose" romance in Shadow Grove.

"I wouldn't fall. Because the second I did, someone would be there to slit my throat and toss me to the sharks.

After all, it's what I would do."

Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves.

The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of the members loyal to my father was spared mercy. Not a single one.

I let the media twist and distort the story. My new recruits eagerly proved themselves by spreading false news, then covering our tracks. To the general public, the Tri-State Timberwolves were extinct.

But that couldn't have been further from the truth. We changed, we grew, we evolved, and we came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe.

So, what do I do when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price?

Simple. Kill the distractions.

I'm called Hades for a reason, after all.

THE AUTHOR

Tate James is a USA Today bestselling author of contemporary romance and romantic suspense, with occasional forays into fantasy, paranormal romance, and urban fantasy. She was born and raised in Aotearoa (New Zealand) but now lives in Australia with her husband and their adorable crotchfruit.

She is a lover of books, booze, cats, and coffee, and is most definitely not a morning person. Tate is a bit too sarcastic, swears far too much for polite society, and definitely tells too many dirty jokes.

THE BOOK

From the author of the Madison Kate series comes the next in the dark and delicious interconnected Hades series, another biting "why choose" romance in Shadow Grove.

"Two against twenty-six? Seems like unfair odds."

I guirked a brow. "Maybe we should do it blindfolded."

Five years ago, I made a choice that I haven't regretted a day since. I protected the single most important person in my world: my little sister. I protected myself, and I seized control of the Tri-state Timberwolves.

Since then, I've wielded that power as Hades with an iron fist. Done whatever it took to take care of my people. Kept us out of the public eye, and kept us safe.

But now, a ghost from my past is threatening my position. Challenging me. Peddling their poison and breaking my rules. Stabbing at me in the dark.

Blowing up my fucking club.

But this last attack has taken it one step too far. They have no idea the lengths I'll go to protect what is mine. And Lucas? He's mine.

They want anarchy? They haven't seen anything yet.

Radiant Sin

Katee Robert

Greek myths get unspeakably hot new twists in this contemporary series from *New York Times* and *USA Today* bestselling author Katee Robert

THE PITCH

- Popular series with incredible praise: Neon Gods was an instant bestseller thanks to its viral popularity on TikTok, and Entertainment Weekly declared that, "[Robert's] writing is unspeakably hot."
- Bestselling author: Katee Robert is a New York Times and USA Today bestselling author with over a million copies sold
- Phenomenal hook: Greek myths are fan favorites; this super-sexy, modern retelling will appeal to fans of both the webcomic Lore Olympus and Greek lore
- Author location: Katee Robert lives in the Pacific Northwest
- Series information: This is the fourth book in the Dark Olympus series.
 Can be read as a part of the series or as a stand alone

THE BOOK

There's nowhere more dangerous than Olympus...and no one more captivating than its golden god: Apollo. Keeper of secrets, master of his shining realm...and the only man I am powerless to deny.

A scorchingly hot modern retelling of Apollo and Cassandra.

As a disgraced member of a fallen house, Cassandra Gataki has seen firsthand what comes from trusting the venomous Thirteen. But when the maddeningly gorgeous and kind Apollo asks her to go undercover as his plus-one at a weeklong party hosted by a dangerous new power player...Cassandra reluctantly agrees to have his back.

On one condition: when it's all over, and Apollo has the ammunition he needs to protect Olympus, she and her sister will be allowed to leave. For good.

Apollo may be the city's official spymaster, but it's his ability to inspire others that keeps him at the top. Despite what the rest of Olympus says, there's no one he trusts more than Cassandra. Yet even as their fake relationship takes a wicked turn for the scaldingly hot, a very real danger surfaces... threatening not only Cassandra and Apollo, but the very heart of Olympus itself.

- Series information: This is the fifth book in the Dark Olympus series. Can be read as a part of the series or as a stand alone

THE BOOK

He was my enemy. My lover. My husband. And the one man I swore by all Olympus I would destroy.

A scorchingly hot modern retelling of Aphrodite and Hephaestus (and Pandora and Adonis).

Aphrodite has never flinched at getting her perfectly manicured hands dirty, and she's not about to start now—even if that means marrying Olympus's enemy number one, the new Hephaestus. She has a wicked plan to keep her deadly new husband off-balance, seducing the one person he seems to care about most in this world: Pandora, a woman as beautiful as she is sweet.

Two can play the seduction game, however, and Hephaestus is all too happy to put his new wife in her place. Her ex, Adonis, seems like he'll do the trick. It doesn't hurt that he's gorgeous in the way of fallen angels, either.

The only problem with using seduction as a weapon? Hearts are all too quick to get involved. With Hephaestus and Aphrodite trading venomous strikes that feel a whole lot like foreplay, lines become blurred and emotions entangled. But a broken heart may be the least of their worries. With unrest in Olympus reaching new heights, these bedroom games may have deadly consequences for themselves, their city, and everyone they've come to love.

THE BOOK

Ariadne Vitalis is in trouble. She's betrayed her father—and his benefactor—and now she's left to rely on the questionable mercy of Olympus to keep her safe. As with everything in this city, mercy comes with a price. For Ariadne, that means a marriage to Dionysus. She has no choice but to agree, even if there's only one man she's ever wanted—a man she's feared just as much as she desires.

The Minotaur never had any illusions about Minos's plans. He was willing to get his hands dirty as long as the old man kept his word—at the end of this, the Minotaur would be given Ariadne as a reward. Nowhere in that deal was her walking down the aisle to a different man. She's meant for him, and he means to have her.

Ariadne knows better than to encourage the Minotaur. Her relationship with her new fiancé might be more friendship than burning passion, but she is all too aware of how much fiery passion can hurt. She and the Minotaur are no good for each other. She can never forgive him for what he's done, and he can never change. But when his hands are on her body and his wicked words are whispered in her ear, she might just be willing to let all of Olympus burn...

THE BOOK

She was the face that launched a thousand ships, the fierce beauty at the heart of Olympus...and she was never ours to claim.

A scorchingly hot modern retelling of Helen of Troy, Achilles, and Patroclus that's as sinful as it is sweet.

In Olympus, you either have the power to rule...or you are ruled. Achilles Kallis may have been born with nothing, but as a child he vowed he would claw his way into the poisonous city's inner circle. Now that a coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to compete and double their odds of winning.

Neither expect infamous beauty Helen Kasios to be part of the prize...or for the complicated fire that burns the moment she looks their way.

Zeus may have decided Helen is his to give to away, but she has her own plans. She enters into the competition as a middle finger to the meddling Thirteen rulers, effectively wing for her own hand in marriage. Unfortunately, there are those who would rather see her dead than lead the city. The only people she can trust are the ones she can't keep her hands off—Achilles and Patroclus. But can she really believe they have her best interests at heart when every stolen kiss is a battlefield?

THE BOOK

A scorchingly hot modern retelling of Eurydice and Orpheus and Charon.

Eurydice Dimitriou has always been the innocent sister, but she's finally ready to step out of the long shadow cast by her powerful family...and the ex who shattered her heart. Perhaps rough hands on soft skin are exactly what she needs to forget her heartbreak once and for all?

Charon Ariti has been Hades's right-hand man for years. He's given everything to the lower city, but now he's ready to take something for himself. He's only too happy to give Eurydice a special kind of education...but is her heart really free enough to be claimed?

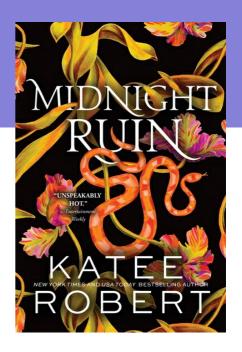

Orpheus Makos will do whatever it takes to make things right. Once the golden boy of the upper city, he's now a shadow of his former self. He'll do anything to get Eurydice back...even if it means she's not coming into his arms alone. Three hearts. Three futures. Countless ways to get it wrong.

But with enemies slipping through Olympus's faltering barrier to lay siege on the lower city, a trio of broken hearts will be the least of these would-be lovers' worries...

He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine.

A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade.

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

THE BOOK

INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER!

He was the most beautiful man in Olympus...and if I wasn't careful, he was going to be my death.

A scorchingly hot modern retelling of Psyche and Eros that's as sinful as it is sweet.

In the ultra-modern city of Olympus, there's always a price to pay. Psyche Dimitriou knew she'd have to face Aphrodite's jealous rage eventually, but she never expected her literal heart to be at stake...or for Aphrodite's gorgeous son to be the one ordered to strike the killing blow.

Eros has no problem shedding blood. Raised to be his mother's knife in the dark, he's been conditioned to accept that he's more monster than man. But when it comes time to take out his latest target...he can't do it. Confused by his reaction to Psyche's unexpected kindness, he does the only thing he can think of to keep her safe: he binds her to him, body and soul.

Psyche didn't expect to find herself married to the glittering city's most dangerous killer, but something about Eros wakens a fire inside her she's never felt before. As lines blur and loyalties shift, Psyche realizes Eros might take her heart after all...and she's not sure she can survive the loss.

THE BOOK

Now an original series from Netflix

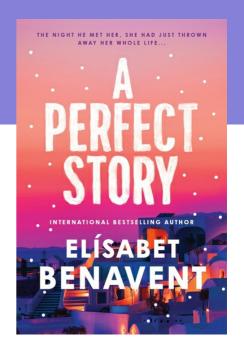

International bestseller

Two heartbroken people from totally different worlds go on a fake-dating vacation of a lifetime. What could possibly go wrong?

Margot Ortega always struggled to be the princess in her own fairytale: a successful career, a huge salary, a gorgeous apartment, and a perfect fiancé. But on her wedding day, she suffers a major panic attack and has to call it off.

Devastated and ashamed, Margot decides to drown her sufferings in a mad night of alcohol and dancing. The next day, she goes back to the sleazy club to retrieve her sister's cell phone, and has a crazy encounter with David Sánchez, the handsome, fun-loving bartender who persuades her to pretend to be his new girlfriend in order to make his ex jealous. David recognizes the sadness in her eyes, and together they conspire to help each other get their exes back. Little do they know how much fun they'll have and how much they'll complicate their lives.

A trip to Greece together that Margot sees as a much-needed getaway creates an unexpected connection and depth of intimacy between two people who belong to two totally different worlds. What starts as a simple escape for fun and adventure becomes complicated and devastating when the depth of their feelings pulls the two lovers in different directions and forces them to make a life-altering decision.

THE BOOK

Why date a mountain man? Because climbing him will leave you breathless.

Felicity Pax loves her job. She craves excitement, and being a bounty hunter gives her that in spades. So when her estranged mother disappears with a small fortune in tow, Felicity chases her like she would any other skip. Too bad she didn't barter on having increasingly infuriating (and infuriatingly hot) PI Bennett Green on her tail.

Bennett's got a job to do, and if that means shadowing Felicity...well...he's had worse assignments. Even if he's 99% sure the increasingly intriguing bounty hunter is leading him on a wild goose chase through the Rockies.

If she has to drag her PI tail through endless quirky mountain towns in order to shake him, that's what she's determined to do...but it isn't long before Felicity's intended distraction turns up a mystery worth solving—and Bennett becomes the unexpected partner she never realized she needed. As things heat up, Felicity will have to decide what's most important to her: staying one step ahead of the "enemy" or giving herself freedom to experience the adventure of a lifetime.

The Rocky Mountains get unBEARably hot in Katie Ruggle's brand-new series packed with adventure, action, tall dark & scruffy heroes, and a sense of quirky humor that will be your next perfect escape.

The Day He Never Came Home

Andrew DeYoung

A twisty, compelling domestic thriller that asks the question, how far will a desperate woman go to save herself and her children?

THE PITCH

- For readers of upmarket thrillers: Readers who loved Laura Dave's The Last Thing He Told Me, Claire Macintosh's Hostage, and Jennifer Hillier's Little Secrets will tear through The Day He Never Came Home
- Page-turning suspense: DeYoung's plot twists and flawed, sympathetic characters will keep readers on their toes
- Up and coming author: DeYoung's debut novel The Temps was named a Best SFF Book of 2022 by Book Riot
- Author/story location: This story takes place in and around the Minneapolis/St. Paul area of Minnesota, where Andrew DeYoung lives with his family

THE BOOK

To protect her family, one mother's lie of omission leads to another in this twisty, suspenseful domestic thriller, perfect for fans of Laura Dave's *The Last Thing He Told Me*.

She thought she knew her husband. She was wrong.

Regan Peters knows her husband John wants to give her and their children a good life. The long hours he puts in as a financial advisor prove his dedication, and despite how mysterious he is about his past, that's been enough for her to get through the hard days. Until the FBI shows up at their door, and Regan learns that her husband has been running a Ponzi scheme, is mixed up with dangerous criminals, and has been living under an assumed identity all these years. Everything she thought she knew about her life has been a lie.

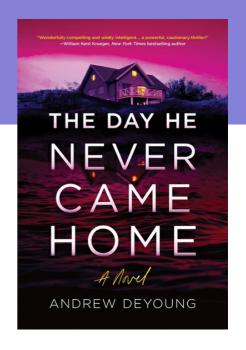

That includes the outrageous birthday present John gifted her the day before he disappeared—a lake house, bought with cash, and put in her name only. With her life falling apart, Regan must make a split-second decision: does she tell the FBI about the house? Or does she buy some time to forge her own path to saving herself? But one compromise inevitably leads to another, and one dangerous secret builds on the next.

When her lies of omission to the FBI agents begin to raise questions, Regan becomes inextricably embroiled in John's crimes, the true extent of which are just beginning to be revealed. Now that her comfortable life is clearly over, Regan is learning she is capable of far more than she ever imagined. She will do anything to protect herself, her children, and their future. Anything.

Praise for The Day He Never Came Home:

"A powerful, cautionary thriller, a reminder that the road to hell is, indeed, a slippery slope. And DeYoung does a fine job of mapping the way."—William Kent Krueger, New York Times bestselling author

"Completely cinematic and totally engaging! The diabolical and oh-so-talented Andrew DeYoung takes readers' expectations about plot and character and turns them inside out—and it's so much fun to read. Surprising and smart and wonderfully original, this page-turner of a thriller is completely entertaining."

The Ones Who Come Back Hungry

Amelinda Bérubé

Let The Right One In meets Wilder Girls in Bram Stoker-nominated horror novelist Amelinda Bérubé's latest novel, an unsettling and atmospheric vampire story about a girl whose beloved sister comes back to life, and the hunger that haunts them both

THE PITCH

- Amelinda Bérubé's writing is haunting: Her two previous books have earned starred reviews and one was nominated for a Bram Stoker award; with the mix of truly terrifying vampire novel plus an exploration of grief, all wrapped up in a teen girl's psyche, this novel is sure to have something for everyone
- Zombies and vampires remain bestsellers!: The thirst for zombies and vampires is still going strong; most recently, This Delicious Death has been a big success in the zombie genre
- Author/story location: The author is located in Canada and the book takes place in Canada

THE BOOK

From the author of *Here There Are Monsters* comes a chilling supernatural horror that is part terrifying vampire legend and part modern exploration of toxic relationships wrapped up in a novel about hunger, yearning, and loss.

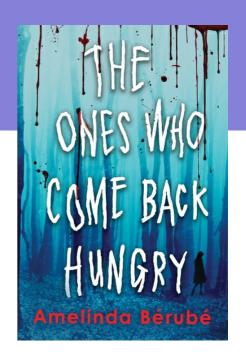

After the sudden death of her perfect, popular older sister, Jo and her family feel empty. But days after crying at Audrey's graveside, Jo stumbles on the impossible: Audrey, standing barefoot in the snowy backyard. But Audrey isn't breathing. She's still marred with the evidence of an autopsy. She's decaying. And worst of all, Audrey is hungry, and only human blood can curb her relentless appetite.

Jo knows she can put her family back together; she just has to figure out how to fix Audrey. She hides her sister and sustains her with her own blood, determined to figure out how to keep Audrey with them. When her search takes her to her sister's grieving inner circle of friends, Jo finds herself drawn into their fold—and to Audrey's boyfriend, Sam.

As Jo slips further into her sister's old life, Audrey's hunger and jealousy grow more insatiable. She's not going to sit back and let Jo replace her or, worse, discover the secrets hidden beneath her golden girl facade. As Jo struggles to juggle everything she will be forced to decide which of her loved ones needs her the most —and who she's willing to sacrifice to save them.

49 Miles Alone

Natalie D. Richards

Katie and Aster's plan was to hike 49 miles in the remote Utah desert. But when they encounter a killer on the trail, there's no such thing as a safe distance.

THE PITCH

- Bestselling author: Natalie D. Richards is one of the highest-performing YA thriller authors, whose titles have sold over 400,000 copies retail to date and include two New York Times bestsellers
- Page-turning survival thriller: Tense, twisty story in an isolated desert setting where people aren't who they seem, the elements are unpredictable, and one wrong step—literally—can have fatal consequences
- Smart and substantive: With strong, relatable characters, Richards's books explore issues such as surviving abuse and assault in ways that resonate with readers and reviewers
- Author/story location: Natalie D. Richards lives in Columbus, Ohio and 49
 Miles Alone takes place in Utah

From the *New York Times* bestselling author of *Five Total Strangers* and *Seven Dirty Secrets*, a tense new thriller!

Four days alone in the desert. Except they're not as alone as they think.

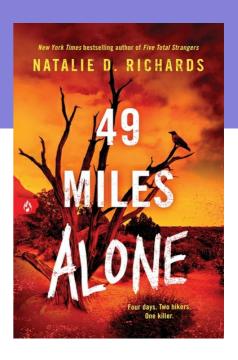

A year ago, Katie and her cousin Aster survived a night that left their world and easy friendship fractured. Desperate to heal and leave the past behind them, they tackle four days of hiking in the Utah backcountry. But the desert they've loved for years has tricks up its sleeve.

An illness, an injury, and a freak storm leave them short on confidence and supplies. When they come across a young couple with extra supplies on the trail, they're grateful and relieved—at first. Riley exudes friendliness, but everything about her boyfriend Finn spells trouble. That night, after some chilling admissions about Finn from Riley, Katie and Aster wake to hear the couple fighting. Helpless and trapped in the darkness, they witness Riley's desperate race into the night, with Finn chasing after.

In the morning, they find the couple's camp, but Riley and Finn? Vanished. Katie is sure Riley is in trouble. And with help a two-day hike away, they know they are the only ones who can save her before something terrible happens. The clock is ticking and their supplies are dwindling, but Katie and Aster know they have to find Riley before Finn—or the desert—gets to her first.

My Life with the Walter Boys (Netflix Series Tie-In Edition)

Ali Novak

THE BOOK

A New York Times Bestseller

Now a Netflix series!

When a tragic accident leads Jackie to move into a house filled with eleven boys, she gets far more than she ever expected. This sweet YA romance is perfect for fans of Kasie West and Jenny Han—and is one of the most beloved Wattpad books ever!

Moving in with eleven boys was not part of the plan.

Jackie's goal is perfection—perfect grades, the perfect look, getting into the perfect school. If she can achieve that, then maybe her too-busy mom and dad will take notice. But when her parents die in a tragic accident, Jackie is shipped off across the country to live with the Walters, her new guardians...who just happen to have eleven sons (plus a daughter who is basically one of the boys).

The Walter boys are loud, dirty, annoying—and, okay, some of the older boys might be Greek god level hot, but they don't think a city girl belongs on their horse ranch. How is Jackie supposed to fit into their chaotic world when she needs to keep her parents' memory alive by living up to the promise of perfect?

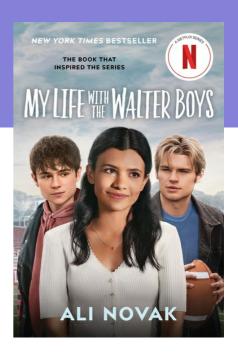

But as Jackie spends more time with the Walter boys, she begins to wonder if the perfection she's always strived for isn't the only way to find love after all.

Funny and moving, *My Life with the Walter Boys* is perfect for readers looking for:

- · Wattpad love stories
- contemporary romance for teens
- binge-worthy YA novels

THE AUTHOR

Born and raised in Wisconsin, Ali Novak is the New York Times and internationally bestselling author of contemporary young adult novels. She started writing her debut book, My Life with the Walter Boys, when she was only fifteen. Since then, her work has received more than 150 million reads online. When she isn't writing, Novak enjoys traveling with her husband, Jared; binding fan fiction; and reading any type of fantasy novel she can get her hands on. The Pumpkin Seed's Secret A Life Cycle Poem

Hannah Barnaby

Curiosity and coziness shine in this modern picture book about the pumpkin life cycle.

THE PITCH

- Holiday/Seasonal Tie-in: Pumpkin picture books are popular purchases in the fall around Halloween and Thanksgiving.
- Learning Tie-in: Teachers continue to teach the pumpkin life cycle in classrooms, and families love doing pumpkin activities at home in the fall.
- Engaged Author: Hannah Barnaby lives in Charlottesville, Virginia. Her books have earned multiple starred reviews, and she regularly visits schools as an author and writing teacher.

THE BOOK

A pumpkin life cycle book with hominess and heart!

In this rhyming picture book about the life cycle of a pumpkin, a pumpkin becomes something new with each turn of the page, from a flower to a house to a face. Extensive back matter on the pumpkin life cycle, fun pumpkin facts, and a pumpkin seed recipe are included. A perfect book for both home and school libraries. An excellent gift for Halloween or any time of year!

A pumpkin is a seed.

A plain little seed with a secret inside,

A pocket, a pip with a new life to hide.

To hide and to hold

As springtime unfolds,

A pumpkin begins as a seed.

A pumpkin is a sprout.

A curious sprout with one leaf and then two,

A budding, a nudging, a slow peekaboo.

Happy for rain

And sunshine again,

A pumpkin pops out as a sprout.

THE AUTHOR

Hannah Barnaby is the author of multiple picture books and novels for children. She lives in Virginia, where she loves to hike with her dogs and pumpkin season sometimes feels like summer. Her birthday is four days after Halloween so she always has leftover candy—and roasted pumpkin seeds!—to enjoy with her birthday cake. You can visit her online at www.hannahbarnaby.com.

became particularly appealing and the idea of telling stories through drawings filled him with enthusiasm. After graduation, he became a freelance illustrator and started working for youth programs in Lille, in the north of France, for two years before moving to the Paris region. His work, first exclusively traditional, became more and more a mix of traditional and digital techniques: acrylic paint, pencil drawing, watercolors, collage, Photoshop ... for Cedric, the process is a sort of laboratory where experimentation and accidents give life to his drawings and create dream-like and colorful universes. During his work sessions, he likes to listen to music from Max Richter and Olafur Amalds, to name just a few. His creative journey is based on more or less sensitive themes that generate inspiration: human nature, environmental nature, childhood, or loneliness. Openminded, he doesn't set himself any barriers and nourishes his imagination via very different projects: children's books, CD jackets, novel covers, illustrations for concert cinemas, and animation. Today, he lives in Brittany, closest to nature and the sea!
