Viennese Bakery

Bernadette Wörndl

More than 75 recipes for finest cakes, tortes, and slices from Old Vienna

THE PITCH

- **75 TRADITIONAL RECIPES** A must-have for fans of Viennese coffee house culture and traditional Middle European cakes
- **POPULAR CULTURE** In 2024, Vienna welcomed 8.2 million arrivals, a third of whom were from the US; this book is practical, romantic and inspiring
- **CULINARY EXCELLENCE** Vienna's vibrant culinary scene earned it recognition as one of MICHELIN's Top Foodie Destinations for 2025
- **MOTHER'S DAY GIFTING** With gold sprayed edges and ribbon marker, this is perfect foodie gifting for avid bakers

THE BOOK

Take a slice of traditional Viennese cafe culture home with you and discover 75 recipes for classic confectionery.

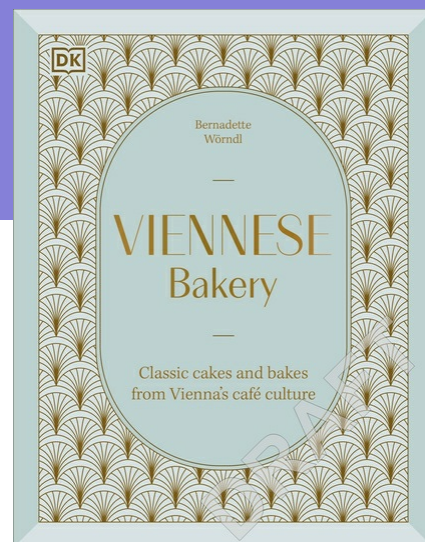

The coffee houses in early 20th-century Vienna were the second living room for artists, intellectuals, and dessert lovers of all kinds. This was a place to relax, discuss, and, above all, indulge! Amidst this sophisticated atmosphere, confectioner Therese Schulz pampered guests of the former Vienna Grand Hotel with her sweet craftsmanship – and meticulously documented her recipes. One hundred years later, family members rediscovered these records in the attic and entrusted them to the expert hands of recipe developer Bernadette Wörndl, who brings these recipes to life on the page today.

The result is this unique baking book with over 75 divine confectionery recipes. From Viennese classics like Vanillekipferl (vanilla crescent cookies) and Sachertorte (rich chocolate cake) to nostalgic delicacies like marmalade Swiss rolls or a strawberry cream torte – this book will delight lovers of Austrian sweets and pastries. With a mix of atmospheric recipe pictures, excerpts from Therese's original recipe book, and nostalgic historic photography, The Viennese Bakery is a delicious, inspiring, and enticing culinary flight of fancy.

THE AUTHOR

Bernadette Wörndl is a cookbook author and food stylist from Vienna. She discovered food art at the Vienna Art School and subsequently gained experience in professional kitchens. She also worked for a time at Chez Panisse in San

Francisco. When she's not creating wonderful delicacies for cookbooks or magazines, she works as a private chef, teaches sourdough bread workshops, and experiments with wild ferments in her studio.

The Weekend Gardener

Plan, Build, Plant & Maintain Your Dream Garden in Your Spare Time

Henry Agg

DIY projects, planting advice, and seasonal jobs for the time-poor gardener

THE PITCH

- **PLAN, BUILD, PLANT, MAINTAIN:** Four chapters cover all the weekend gardener needs, with planning advice, landscaping projects, step-by-step planting guides, and year-round care
- **INSTAGRAM AUDIENCE:** @henryaggdesign has a following of 525k, with his project-based content achieving the most positive feedback
- **TIME-POOR GENERATION:** Many would-be gardeners see time as a barrier and are hungry for advice on easy maintenance that fits with busy lives
- **DO IT YOURSELF:** DIY garden projects remain a popular activity for weekends, with a marked growth in spend for the 18-34 age group

THE BOOK

Get gardening with practical projects, planting design, and seasonal upkeep for weekend wins.

If you want something done, ask someone who's busy... Henry Agg created his dream garden while working full time. Now a qualified garden designer, Henry shares his design, landscaping, and planting knowledge for the busy gardener.

Easy-to-follow, photographed step-by-step projects show you how to build paths, steps, patios, walls, and fences; as well as plant supports, such as pergolas and raised beds; and even a calming water feature. Every project has an estimate of how long it will take – from an hour or so to a full weekend – so you can plan how you're going to create your dream space in your spare time.

This book also includes a chapter on planting, guiding you on preferred look and feel, what plants to choose, and – importantly – how best to plant them, followed by seasonal to-do lists, breaking down garden tasks into bite-sized jobs to avoid overwhelm.

In *The Weekend Gardener*, Henry proves that, by doing it yourself and making the most of your weekends, you can create your dream garden.

THE AUTHOR

Henry Agg trained as a horticulturalist with the Royal Horticultural Society and in garden design at The English Gardening School. Before setting up his own garden design practice, Henry built a career on the corporate ladder, following his passion for gardening in his spare time. During that time, he established @henryagg on Instagram and shared how he transformed his garden while working full time and juggling family life. Henry passionately believes in the restorative benefits of gardening for mental wellbeing and proactively uses his platform to spread this message. Since becoming a garden designer, he has presented on Gardeners' World and Alan Titchmarsh's Gardening Club.

My Gardening Life

Mary Berry

A personal memoir from one of the country’s leading cooks on her passion for gardening, plants and growing her own food

THE PITCH

- **NATIONAL TREASURE:** Since 1970 Mary Berry has published 80 cookbooks and is one of the most recognised and well-known cookery writers of her generation
- **GARDENS AMBASSADOR:** Mary is President of the National Garden Scheme, for which she opens her garden, is an RHS Ambassador, and visitor to Chelsea Flower Show
- **GARDENING PASSION:** Mary has always been green-fingered, saying, “In another life I may have been a gardener”, on BBC Gardeners’ World presented from her garden
- **TV TIE-IN:** A possible one-off television programme on her gardening passion in Spring 2026, which would support the book

THE BOOK

‘In another life I may have been a gardener’

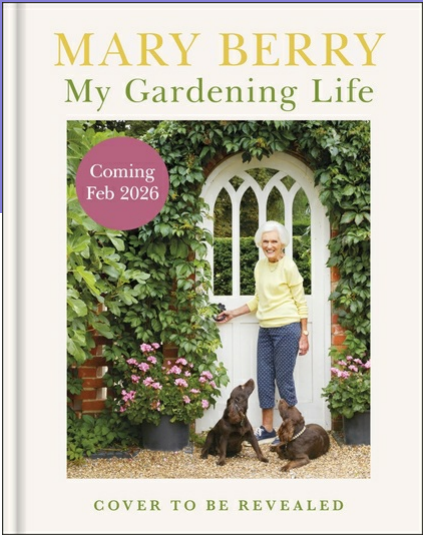

Well-known and loved as a cookery writer and presenter, this is Mary Berry’s deeply personal account of the second great love of her life, gardening. She shares her love of growing plants, visiting gardens, and getting hands-on in her own plot.

A passion that was sparked in her childhood, Mary first started gardening with her father and she has been fortunate to meet many inspirational and knowledgeable horticulturalists throughout her life. Full of anecdotes, pearls of wisdom, and beautiful photos of Mary’s own garden, *My Gardening Life* is a unique memoir told through the gardens Mary has loved.

As well as Mary’s first-hand commentary, she also explains the vital role that being outside, connecting with nature, and celebrating the seasons has played in her life for 90 years. From times of personal solace to times of celebration, moments of sheer joy to gardening frustrations, Mary reveals her deep love of plants and gardens.

THE AUTHOR

Bestselling cookery writer and TV star cook, **Dame Mary** has written over 80 cookbooks, including the classic *Mary Berry’s Complete Cookbook* (DK, 2017) which has sold over 1.5 million copies internationally. Her career began when she developed a passion for domestic science at school and she went on to train at the Cordon Bleu in Paris. In 2020, Mary received the honour of Damehood in the Queen’s birthday honours. She has been an Ambassador for the Royal Horticultural Society since 2014 and is President Emeritus of the National Garden Scheme. Cordon Bleu trained in Paris, Mary began her career as a magazine cookery editor before publishing her first cookery book in 1966. In 2009, Mary was awarded the highly coveted *Guild of Food Writers* Lifetime Achievement Award and in 2012 she was made a CBE in the Queen’s Birthday Honours list.

Lessons from a Default Parent

Surviving the Frontline of Family Life (From a Woman on the Edge)

Lou Beckett

Heartfelt, hilarious advice from the parent who is depended on the most (and often feels appreciated the least)

THE PITCH

- **PLATFORM POTENTIAL:** The author has a receptive audience of 117k through Instagram but also her close association with the Parenting Hell podcast (55 million downloads)
- **ROB BECKETT:** Lou's husband, comedian Rob Beckett (1M IG followers) will contribute to the book providing an opportunity to reach his audience
- **CONTENT THAT CONNECTS:** Lou's blog on 'the default parent' – 'A Very Long Whinge' – gained 56,000 views almost overnight and her Instagram garnered 116,600 impressions
- **APPROACHABLE:** The author's tone is not preachy but peer-to-peer and packed full of her 'warts and all' comedic tone that her followers respond to

THE BOOK

What nobody tells you about parenthood, from one of the 'silent partners' behind the *Parenting Hell* podcast.

School-run coordinator, party planner, clubs organiser, laundry sorter... and maybe even a 'real' job on top! Sound exhaustingly familiar?

From assumptions surrounding who is staying home with the kids to the never-ending list of 'school' admin, being 'the default parent' rears its head in a plethora of ways.

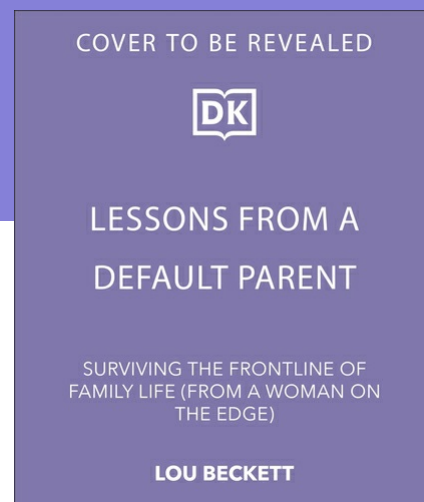

So this book is for all the defaults out there – bored out of their eyeballs or so overwhelmed they could scream expletives into the wind for a solid hour – to know their invisible labour is seen, valued, and can even sometimes be rebalanced.

With heartfelt and hilarious advice, Lou Beckett provides much-needed comfort and community for the one who is depended on the most (and often feels appreciated the least), and maybe – just maybe – how we can begin to muddle through a little better, together.

THE AUTHOR

Lou Beckett is a mother of two, ex-secondary school teacher and wife to Rob Beckett. The (mostly) silent participant of the incredibly successful Parenting Hell podcast (spoken about not to except for the occasional "right to reply" episodes), she can speak about the similarly 'silent' issues: default parenting, emotional labour and managing the mental load of parenthood.

Her popular and well-read blog post 'A very long whinge' prompted many 'me too' moments from fellow parents and gained 56,000 views almost overnight and 116,600 impressions on Instagram.

The Brain Book

A Visual Guide to Structure and Function

Rita Carter

Explore the human brain and find out what we really know about the way it controls everything we think and do

THE PITCH

- **AUTHORITATIVE:** Written and authenticated by an award-winning team of neuroscience writers and academics
- **MEDICAL KNOWLEDGE:** Covers medical topics such as Alzheimer's disease, brain haemorrhages, and neurological illnesses and injuries
- **CUTTING EDGE:** Striking images and CGI artworks display areas of the brain in unprecedented detail, size, and scope.
- **FRESH IDEAS:** Updated with the latest scientific findings, advances in technology, and perspectives on diversity, including neurodivergence and mental health

THE BOOK

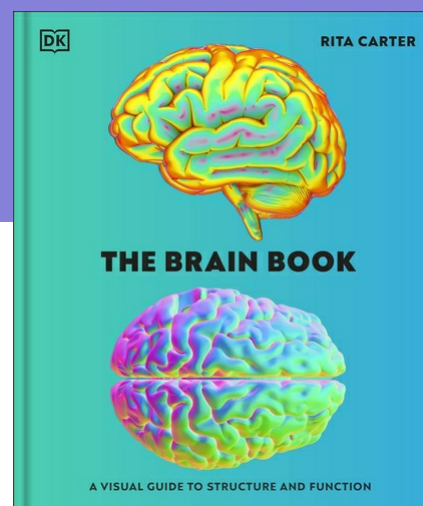

This new edition of the award-winning *The Brain Book* uses the latest findings from neuroscience research and brain-imaging technology to take you on a journey into the human brain.

CGI artworks and MRI scans reveal the brain's anatomy in unprecedented detail. Step-by-step sequences unravel and simplify complex processes, such as how nerves transmit signals and how memories are laid down and recalled. The book answers fundamental and compelling questions about the brain, such as what it means to be conscious and what happens in the brain when we're asleep.

Written by award-winning author Rita Carter, this is an accessible reference book to a fascinating part of the human body. Thanks to improvements in scanning technology, our understanding of the brain is changing fast. Now in its fourth edition, *The Brain Book* draws on the latest information to provide a fascinating guide to one of science's most exciting frontiers.

THE AUTHOR

A science and medical writer, Rita Carter has twice been awarded the Medical Journalists' Association prize for outstanding contribution to medical journalism. She has written several books and been shortlisted for the Royal Society Prize for Science Books. She holds a doctorate in brain science from Leuven University.

RSPB Birds of Britain and Europe

The Definitive Photographic Field Guide

Rob Hume

The quick and easy photographic guide to European and British birds – for the novice or seasoned birder

THE PITCH

- **PHOTOGRAPHIC CLARITY:** High-quality photographs show birds exactly as they appear in the wild, making accurate identification easy
- **RSPB:** All facts and illustrations authenticated by the Royal Society for the Protection of Birds (RSPB)
- **BIRD SOUNDS APP:** Includes audio app of calls or songs of over 200 key bird species
- **FRIENDLY EXPERTISE:** Engaging descriptions help make the bird's characteristics easier to remember

THE BOOK

Check more than 500 birds off your list with the ultimate photographic field guide.

This compact field guide features the highest quality photographs to help you identify more than 500 bird species with ease. Each bird's entry includes clear images at rest and in flight and pictures the male, female, and juvenile where they are different. There is even a handy flight-pattern diagram for those moments when all you catch is a glimpse of them in flight as they dart into a bush. A "similar species" panel picks out the lookalikes that could cause confusion, pointing out the telltale differences.

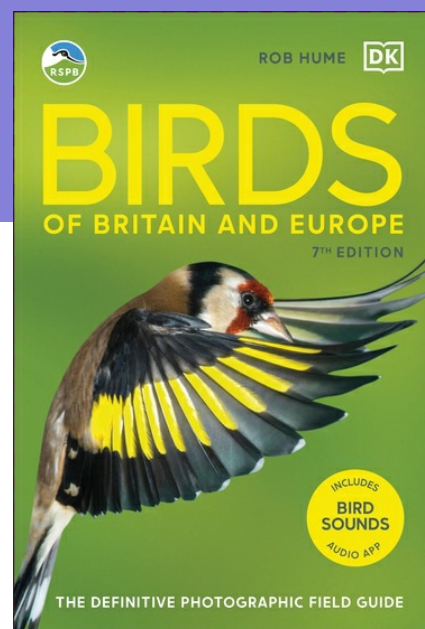

A section at the front of the book gives vital context, covering bird anatomy, life cycle, behaviour, and habitats. Sometimes birds get blown off course and pop up in unexpected places. Some of these accidental visitors to Britain and Europe are also included as mini profiles, so no opportunity is missed. An accompanying audio app of the birdsong and calls of more than 200 birds helps identify a bird even when it is hard to spot.

THE AUTHOR

Writer, editor, artist, and identification expert, Rob Hume is highly adept at penning detailed identification notes for rarity watchers yet is also skilled at providing interesting descriptions for armchair birdwatchers. He is a lifelong birdwatcher who worked for the RSPB for over 30 years and edited the RSPB's award-winning Birds magazine.

The Saint who Carried Christ – Christopher

Introducing a new and collectable series of beautifully illustrated board books, each dedicated to the miraculous stories of beloved Saints

THE PITCH

- **GROWING RELIGIOUS MARKET:** Due to demand, DK are proud to present the Stories of the Saints, encouraging the next generation to dream big and live faithfully
- **INSPIRATIONAL STORIES:** Each highlighting a specific saint, this series illustrates how they impacted their communities and the world around them
- **ENGAGING, EDUCATIONAL CONTENT:** Alongside the miracles, children will learn about the historical context and significance of each saint, fostering a deeper understanding of their faith
- **EMPOWERING MESSAGES:** The stories are crafted to inspire young readers to embrace kindness, bravery, and the spirit of helping others

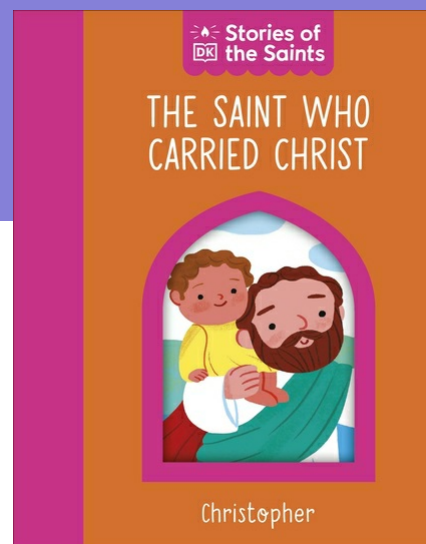

THE BOOK

A new classic series that goes beyond simple storytelling. Stories of the Saints keeps the profound lessons of faith, courage, and compassion taught by these holy figures alive, in an engaging, age-appropriate, and accessible format.

This book is all about Saint Christopher, the Saint who Carried Christ. Though it is unknown whether Christopher was a real historical figure, he has become a celebrated legend in Christianity and is the patron saint of travellers. People often carry his image on a necklace or charm.

Saint Christopher served Jesus by helping people cross a dangerous river. This resulted in Christopher carrying Christ across the river too, despite Jesus becoming as heavy as a mountain!

Each book in Stories of the Saints retells the classic life stories of a different saint, sharing their miraculous deeds in an engaging and accessible way. The stunning illustrations will capture and enthrall young minds whilst teaching important values and virtues. To mark the importance of each title and the lessons learnt, there is a prayer at the end of the book.

Dinosaur Club: Call of the Parasaurolophus

Rex Stone

Travel back in time to the world of the dinosaurs with these character-driven adventure stories!

THE PITCH

- **HIGH-PEDIGREE CREATIVE TEAM:** Made in partnership with Working Partners, the creators of Beast Quest, which has sold 18 million copies worldwide (Source: Working Partners)
- **PACKED WITH DINO FACTS:** The series introduces nonfiction to children who love stories, but also features non-fiction spreads
- **EVERGREEN SUBJECT MATTER:** Dinosaurs is a subject universally beloved by kids, making the books highly collectible. In this instalment, Jamie and Tess encounter Parasaurolophus (PA-ra-SORE-oh-LOAF-us)
- **EDUCATIONAL:** Reference material contextualizes each narrative, including timelines, quizzes, fact files, and glossaries

THE BOOK

Travel through time to the world of the dinosaurs in this exciting prehistoric fiction series for children.

Jamie has just moved to Ammonite Bay, a stretch of coastline famous for its fossils. Jamie is a member of the Dinosaur Club - a network of kids around the world who love all things prehistoric. Jamie takes his tablet everywhere, just in case he needs to contact the Club.

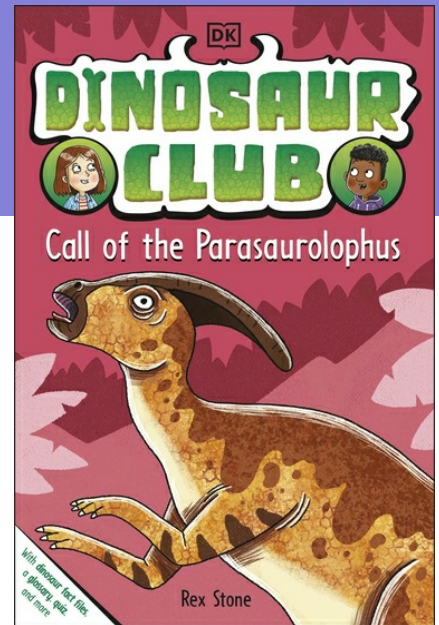

Jamie is exploring Ammonite Bay when he meets Tess, a member of Dinosaur Club who lives in Ammonite Bay too. Tess shows Jamie her favourite place - a secret cave with fossils all over the walls. They go through a tunnel at the back and discover some dinosaur footprints. When they walk along them, the two new friends find themselves back in the time of the dinosaurs! It's amazing, but dangerous, too - they'll definitely need help from Dinosaur Club...

In this fun, action-packed adventure, Jamie and Tess head back to the Cretaceous and encounter a herd of parasaurolophus that need their help...

Forest

Walk Through the Fascinating World of the Wild

Derek Harvey

This stunning book all about forests takes children on a grand tour of the lushest places on Earth

THE PITCH

- **COLLECTABLE SERIES:** This book is the fourth in a series that will take children on a grand tour around the different habitats of the world
- **JAM-PACKED:** Features everything a reader wants to know about habitats, such as the animals and plants that live there, the geography, and plenty of facts
- **GORGEOUS PACKAGE:** Combination of photography and illustrations make the pages of this book come to life, and sprayed edges make the offering even more luxurious
- **KNOWLEDGEABLE AUTHOR:** Expert science writer Derek Harvey and two consultants specialising in geology and nature make this book accurate, informative, and interesting

THE BOOK

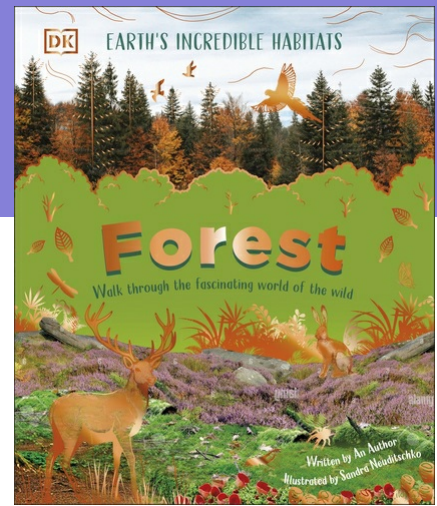

From the mighty Amazon rainforest to the quiet, snow-covered boreal forests of Alaska, discover 10 of the world's most spectacular forests and the animals and plants that live in them.

Every forest is explored in detail, with intriguing information about its geography, and flora and fauna alongside detailed photography and beautiful illustrations. Explore how forests support an incredible variety of life, from the smallest insects to the largest mammals, and how they produce the oxygen we breathe. Learn about the fascinating symbiosis between plants and animals, and how these forests change throughout the year. As well as the wonders of these remote areas, the threats facing mountains and their species are also investigated.

Forest will be treasured for years to come. With foil on the cover and sprayed edges, this book makes the perfect gift for any child with a passion for the natural world.

THE AUTHOR

Derek Harvey is a naturalist with particular interests in evolutionary biology. He studied Zoology at Liverpool University and then became a science teacher. He now concentrates on writing and consulting for science and natural history books.

You've Got This! School Dance Dilemma

Pick Your Own Adventure

Becky Baines (Contributor)

Exciting pick-your-path adventure series for kids to practise making good choices and learn character-building skills

THE PITCH

- **CHARACTER EDUCATION:** The *You've Got This!* series helps readers develop the core competence areas as defined in the Character Education Framework. Making this kind of learning positive, fun and effective, these books are perfect supplementary material for schools
- **SUPPORTS LITERACY:** Children will want to revisit these books time and again to choose different paths through the adventures
- **UNIQUE APPROACH:** Using a pick-a-path narrative will give children agency and will help them learn about consequences of choices
- **COMPELLING STORYLINES:** The books will resonate with children aged 8–11 years old, as they make real-life choices in amazing storyscapes

THE BOOK

Neetu Patel's parents just ruined her whole life. Three weeks before the start of the school year, they announced the family was moving to Washington D.C. When she starts her new school, Neetu joins the school dance committee. What sounds like a harmless opportunity to socialise turns out to be anything but. Can she find her voice and pull off the dance of a lifetime? Navigate the paths of self-belief, endurance, and friendship... What will you decide?

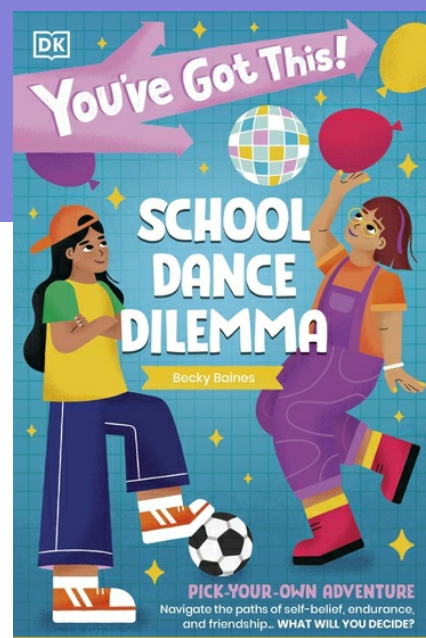

Exciting, high-interest topics make these books page turners for kids, keeping them reading, and giving them agency, as they control the story based on their own high-stakes choices - all while learning character-building skills and principles.

Children will love the funny and irresistibly page-turning narrative, and will want to revisit this book time and time again to choose the multiple different paths through the adventures. Through reaching a series of desirable outcomes or teachable moments, they'll practise making decisions, and learn about the consequences of choices. Survival and success is up to them!

A section at the back of the book explores the target character traits and includes a series of questions for discussion.

Phonic Books The Script

Robin Twiddy (contributor)

Decodable phonics hi-lo graphic novel with dyslexia-friendly design and manga-style illustration

THE PITCH

- **GRAPHIC NOVEL:** The illustrations and format will engage even the most reluctant readers
- **DYSLEXIA-FRIENDLY:** This graphic novel uses dyslexia-friendly font and a cream-coloured background to reduce visual stress
- **CURRICULUM ALIGNMENT:** Can be used with any phonics reading curriculum or programme
- **DECODABLE TEXT:** Makes the story accessible for struggling readers and sets us apart from other hi-lo books

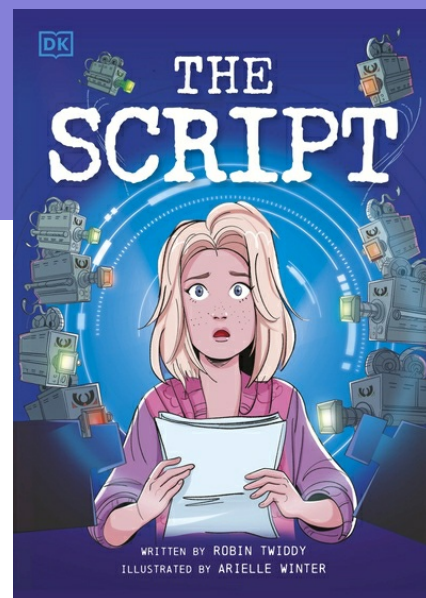

THE BOOK

Each morning, Ann wakes to find a script with every action she must take, but no one knows who writes the scripts or why. When she dares to break the rules, she uncovers a chilling truth. Perfect for older readers who are interested in manga-style graphic novels and who need further practice of alternative vowel spellings.

This graphic novel covers the following alternative vowel spellings:

- /ae/: ay, ai, a, a-e, ea, ey
- /ee/: ee, ea, y, e, ie, e-e, ei
- /oe/: ow, oa, oe, o-e, o
- /er/: er, ir, ur, or, ear
- /ow/ and /oi/: ow, ou & oi, oy
- /oo/: oo, ue, u-e, ew, ou, u
- /ie/: igh, ie, i-e, i, y
- /or/: aw, awe, a, au, al, ough
- /air/: air, are, ear, ere, eir
- /ar/: ar

This graphic novel is parallel to the *Phonic Books Talisman 1, Rescue* and *Island Adventure* series.

Phonic Books Sun Cats 2

Split Vowel Spellings

Truly decodable and engaging, hi-lo phonics graphic novel for older readers

THE PITCH

- **GRAPHIC NOVEL:** Illustrations and format will engage even the most reluctant readers
- **DECODABLE TEXT:** Makes the story accessible for striving readers and sets us apart from other hi-lo books
- **DYSLEXIA-FRIENDLY:** This graphic novel uses a dyslexia-friendly font and a cream-coloured background to reduce visual stress [UK]
- **CURRICULUM ALIGNMENT:** Can be used with any phonics reading curriculum or programme

THE BOOK

Perfect for older readers who are interested in graphic novels but are at the early stages of reading.

Phonic Books Sun Cats 2 introduces split vowel spellings in a gradual way.

Each chapter practises the spellings a-e, e-e, i-e, o-e, and u-e.

Six chapters bound into one graphic novel format follow the adventures of a diverse group of teenage friends in a skateboarding team called the Sun Cats.

THE AUTHOR

Clair Wilson is a former SEN teacher and co-founder of Phonic Books. She specialises in writing engaging decodable stories for reading catch up.

Cynthia Paul is an Indian-American illustrator specialising in storytelling through graphic novel illustrations.
