The Granny Square Book

125 Modern Designs to Crochet

Katy Mitchell

The ultimate granny square bible for modern crafters

THE PITCH

- **POPULAR AUTHOR:** Katy Mitchell is one of the leading granny-square accounts on Instagram, with over 80K followers and 8k Etsy sales
- **CATEGORY KILLER:** DK's first granny square title will contain 125 designs to mix and match – more than any other contemporary competing title
- **MODERN GRANNIES:** Granny square books consistently rank among the top-selling craft titles on the market; competing titles A Modern Girl's and 3D Granny Squares have achieved over 90k sales (UK+US)
- **GEN Z BOOM:** No longer just for “grannies”, crochet has seen a sustained resurgence on YouTube and TikTok

THE BOOK

Mix and match your next crochet project with 125 modern granny square designs.

These aren't your granny's granny squares. Combining bold colours and playful, eye-catching patterns, this unique crochet collection contains 125 designs covering a wide range of themes for all ages. The book includes:

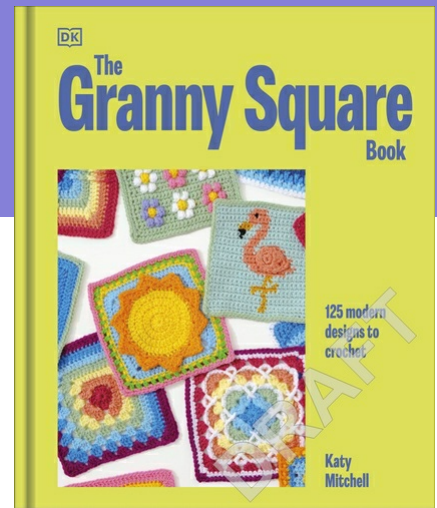

- Seasonal collections including winter snowflakes, festive favourites, and spring florals
- Textured effects including puffs, bobbles, and lacework
- Over 50 3D motif designs including animals, stars, spaceships, and rainbows

Every square is designed to be worked up at the same size, making it easy to mix and match to create your own unique items, or follow the suggested combinations to make themed blankets, cushions, and more. You can even design your own granny squares using mosaic and bobble stitches, so you can crochet projects that are truly unique to you and your loved ones. And, once you've crocheted your squares, learn how to join and edge them to create a neat finish.

Whether you're creating a playful baby blanket, a statement cardigan, or a colour-block tote bag, The Granny Square Book is packed with everything you need to crochet your next project – one square at a time.

THE AUTHOR

Katy Mitchell is a crochet designer specialising in fun, colourful, and intricate granny square designs. Her Instagram channel @kates.crochet.creations is one of the biggest social media platforms focusing exclusively on granny squares, with a rapidly growing follower count made up of fans of her themed granny-square collections. She has written granny square designs for Hobbycraft (as part of their annual Granny Square Crochet-a-long events) and Simply Crochet magazine.

The Moon Book

From Imagination to Exploration

From Imagination to Exploration

THE PITCH

- **SCIENCE AND BELIEF** Astronomy meets history and culture to offer a 360°-view of the Moon
- **NEW FRONTIER** Profiles all of the latest Moon missions, from America's *Artemis* programme to India's *Chandrayaan* landings, with jaw-dropping photography
- **WE HAVE LIFT-OFF!** Includes extensive coverage of the *Artemis* moon landings and publishes ahead of the launch, which is currently planned for 2026
- **SHOOTING FOR THE MOON** Reviewed and authenticated by a team of specialist consultants, and publishing in association with the Smithsonian Institution

THE BOOK

The Moon has been an object of fascination for religions, cultures, and societies the world over since the dawn of humanity.

The Moon Book is a beautifully illustrated account of our lunar neighbour in all its guises: a guiding light in the night sky, the driver of oceanic tides and natural cycles, the subject of exhaustive scientific study, and an enduring influence in literature, art, and popular culture.

Entries explore theories for the Moon's origins around 4.5 billion years ago, its influence on the calendar systems and methods of navigation of early societies, its role in the invention of the telescope and the science-fiction genre, the incredible story of the first Moon landings, and much more. Specially commissioned illustrations capture the Moon's phases and motions in vivid detail, while stunning photography and artefacts bring to life the rich history of lunar observation and exploration.

The last chapter of the book offers extensive coverage of NASA's *Artemis* mission to return astronauts to the lunar landscape in 2026, paving the way for future missions to Mars. Additionally, the book includes a guide to observing the Moon, complete with annotated maps and illustrated profiles of key features such as Tycho crater and the Sea of Tranquility.

Straddling science, culture, and history across the globe, *The Moon Book* is a captivating and richly informative celebration.

THE BOOK

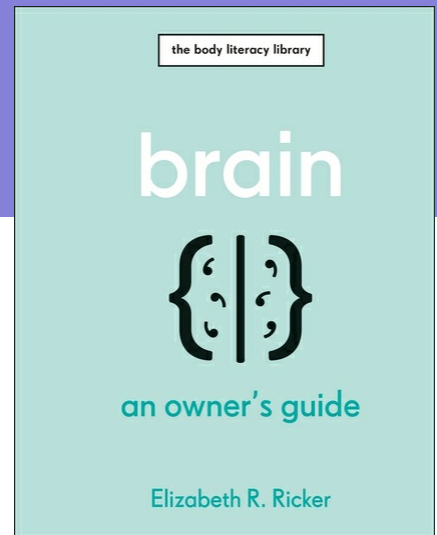

Become body literate with *Brain: An Owner's Guide*, the next book in The Body Literacy Library, an enlightening series that will democratise health for a new generation of readers.

Brain: An Owner's Guide is an informative and practical guide to all aspects of brain health, from maximising your mental wellbeing today to protecting your brain against future serious health issues. Leading neuroscientist Eli Ricker explains how the brain works, how you can look after and protect your brain, and explains what you can do to improve your memory and concentration at any age. Ricker also looks at what constitutes mental "wellbeing", and the science behind a positive mindset, resilience, concentration and memory, as well as low mood, depression and brain fog. Dementia and other brain disorders are a huge concern for many and Ricker looks at how these occur, the latest medical research, and what you can do to protect your brain for life.

From the importance of sleep and stress management to why dementia is a feminist issue, this hard-working book applies science to the everyday, with simple illustrations, checklists, FAQs, and myth busters, all supported by the latest medical research. *Brain: An Owner's Guide* can help you to better understand your mind and aims to enhance your long-term quality of life.

THE AUTHOR

Elizabeth Ricker is a leading neuroscientist with degrees in Brain and Cognitive Sciences from MIT and Mind, Brain, and Education from Harvard. 100 Diverse Voices on Parenthood

This 312-page book features 100 contributors representing various races and ethnic backgrounds, genders, abilities, socio-economic backgrounds, and experiences, each lending their wisdom and insight on parenthood.

THE BOOK

This book can not tell you how to raise your baby, because no one can tell you how to do that. This book is meant to be a supplemental guide to your own inner voice, your gut, and the relationship you build with your baby as they grow. It's meant to be a reminder that the parenting community is huge, and no matter what those parents look like or where they come from, we all share a united goal—to raise happy, thriving humans.

With over 100 contributors of varied backgrounds, nationalities, and parenting experiences, this book is full of stories and advice for parents who are navigating the first year of parenthood. The authors in this book are not writers, and most of them are not parenting or childhood development experts. They are simply people who have raised babies and learned something valuable along the way—from breastfeeding, diaper bags, or screen time, to caring for a sick baby, dealing with postpartum depression, or navigating parenthood after a separation or divorce.

Whether you read this book cover to cover or jump around to what matters most in that moment, take a deep breath and remember you are not alone and you've got this.

How to Make Your Brain Your Best Friend

Simple Steps to a Kinder Mind

Dr. Rachel Barr

Neuroscientist and mental health advocate Dr. Rachel Barr invites you to know your brain better - and live a calmer more fulfilled life as a result

THE PITCH

- **OUTSTANDING CREDENTIALS:** The author is an expert in her field with a PhD in Neuroscience
- **PERSONABLE AND LIFE-APPLICABLE:** From the impact of art and sleep on the brain to why we need to dance, each chapter ends with practical steps
- **DESPERATELY IN-DEMAND:** 4% of the global population have an anxiety disorder (Forbes) and this book offers prevention and cure
- **STRONG AND GROWING PLATFORM:** 840k IG followers; 602k TT followers and growing daily in US, UK and beyond

THE BOOK

In today's world, the pursuit of perfection is marketed as the path to happiness. We're led to believe that if we work harder and buy the right products, then we can optimise ourselves into a state of perpetual bliss. But what if this relentless effort is actually working against our natural wiring?

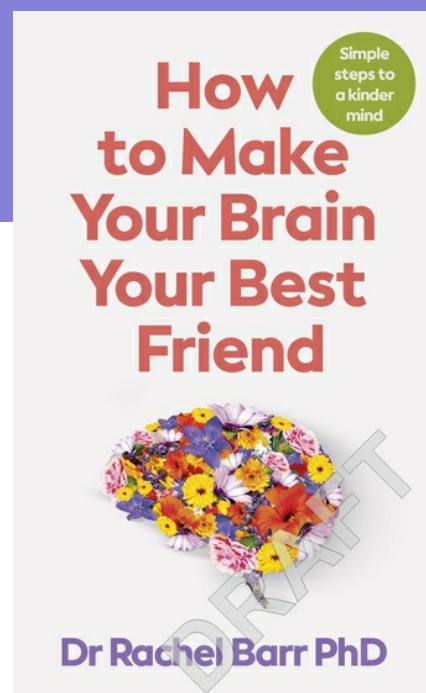

In a world that constantly shouts for more, neuroscientist Dr. Rachel Barr PhD is here to start a quiet revolution, one that whispers: *what if you're already enough?*

Instead of demanding yet more productivity, Rachel offers a refreshing alternative: to work with, not against, the brain's natural rhythms – from its hunger for meaning to the impact of art and creativity on our mental well-being.

Scientifically backed and joyfully accessible, Rachel invites you to stop trying to 'be your best self' and instead learn to become better friends with your brain.

THE AUTHOR

Dr. Rachel Barr PhD is a neuroscientist specialising in the electrophysiology of sleep and memory. Outside of her research, she aims to bridge the gap between neuroscience and our everyday experiences, using social media to share these learnings with over one million followers.

Baking Across America

A Vintage Recipe Road Trip

B. Dylan Hollis

Join B. Dylan Hollis, bestselling author of *Baking Yesteryear*, on a cross-country culinary journey with 100 uniquely American recipes

THE PITCH

- **HIGHLY ANTICIPATED FOLLOW-UP:** Dylan's previous title, *Baking Yesteryear* (2023), is a runaway bestseller, with net sales of over 462K. *Baking Across America* also features a vintage design and historic recipes as well as Dylan's quirky charm.
- **PHENOMENAL AUTHOR PLATFORM:** Dylan has a massive audience across TikTok, YouTube, Instagram, and Facebook for combined global audience of 13M+.
- **100 NEW RECIPES:** Recipes are centered around baking, but include a variety of unique regional favorites including milkshakes, savory dips, cakes, cookies, pickled goods, and doughnuts.
- **SOMETHING FROM EVERY STATE:** The book features 10 geographic regions and at least 1 recipe per state. The photography and design of each chapter reflect the specific aesthetic of the region.
- **VINTAGE STYLE:** Features a vintage art style (including illustrated maps) and a historical perspective, from the Acadian antebellum period to the vibrant '90s.

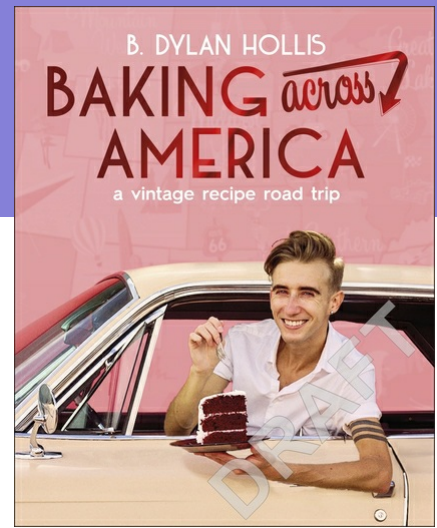

THE BOOK

From the deserts of the Southwest to the Green Mountains of Vermont, the USA is as sweet as it gets. In this *tour de food*, B. Dylan Hollis takes you on a delicious road trip to taste everything from the coffee-crazed creations of the Pacific Northwest to the larger-than-life sheet cakes of Texas.

You'll be hitting the pavement in vintage style as Dylan leads you on a journey through the culture capitals of America to bring you the very best bakes the country has to offer. His retro recipes span the decades from the 1850s to the 1990s and feature famous (and infamous!) desserts from every state.

With his signature wry humor, Dylan explores the US and uncovers the history of nostalgic local favorites, including **Whoopie Pies** on the rocky Maine coast, **Beignets** in jazzy New Orleans, and **Date Shakes** blended up in a mid-century mansion in Palm Springs.

Baking Across America is the highly anticipated second book from the author of *Baking Yesteryear* and delivers 100 wild, wacky, and wonderful recipes from every vibrant corner of the good ol' US of A.

- **NEW DATA:** The author works closely with GlaxoSmithKlein, universities and other medical authorities. She develops and presents the latest research
- **DEMAND IS RIFE:** 80% of US women struggle with hormonal issues and 4 in 5 UK women feel unheard by health professionals. Alderson offers explanations, reassurance and practical solutions to common problems
- **HORMONES ARE A HOT TOPIC:** In 2023, #hormonebalance and #hormonebalancing had more than 306 million views on TikTok

THE BOOK

For too long, women have been led to believe that hormones are our enemies.

With concerns brushed off by doctors, we find ourselves struggling with our hormones, and blaming them for bloating, stress, tiredness and so much more. But what if they aren't the problem?

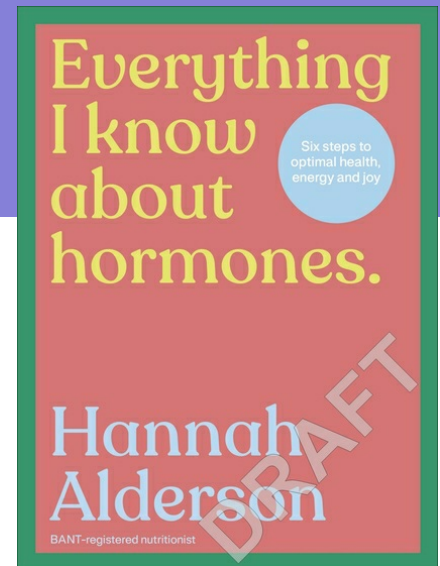

Your hormones are your superpower – only, they can't thrive without your help.

Founder of the Positive Method, Hannah Alderson, will show you just how simple that can be. Driven by her own health obstacles, Alderson has collaborated closely with world-leading scientists to research our hormones and discovered how to build an ecosystem that works. Learn why creating a happier hormone habitat is about diet, balance, movement, sleep, honesty and choices. And take action: from taming triggers to optimising hormones, Alderson's six-pillar approach and evidence-based hacks open the door to a world of positive change. Whether you seek renewed energy, quality sleep or sharper focus, address underlying problems and find your happy today.

THE AUTHOR

Hannah Alderson's mission is to educate, empower and create a positive force in women's lives - providing them with the knowledge to navigate hormonal health and happiness via nutrition, sleep, movement, self love, positive mindset and creativity. Through her clinic, The Positive Method, Hannah works with women to balance hormones and boost happiness. Her clinical specialisms are PCOS, fertility, perimenopause, menopause, fat loss and endometriosis.

She is a BANT Registered Nutritionist and Functional Medicine Practitioner, member of The British Menopause Society, member of the Institute of Functional Medicine and sits on the Medical Advisory board for the PCOSAA (The American Charity, Polycystic Ovarian Syndrome Awareness Association). She is highly motivated to promote the book and is the go-to expert for glossy lifestyle magazines worldwide.

Naturally Vegan

Traditional Plant-based Home Cooking from Around the World

Julius Fiedler

The debut cookbook from recipe creator and veganfluencer Julius Fiedler

THE PITCH

- **SOCIAL MEDIA SENSATION:** Julius is known for his bite-sized videos exploring vegan cultures, with more than 2.3 million Instagram followers (5.6% engagement) and 580K YouTube subscribers
- **EXPERT AUTHOR:** Julius is an accomplished chef who previously worked alongside Jamie Oliver at Jamie HQ; he has paired with Tim Spector and Max La Manna and is a proud ambassador for Slow Food
- **BACK TO BASICS:** Julius breaks down traditional recipes into easy steps, showing how simple it is to make delicious plant-based food from scratch; this book will appeal to readers of Jamie alumni Anna Jones' simple vegetarian recipes
- **COOKING WITH CARE:** This approach taps into traditions of slow food, zero-waste, and taking pleasure in the process of cooking at home with simple, seasonal ingredients

THE BOOK

Discover artisanal, unprocessed recipes from around the world – that just happen to be plant-based.

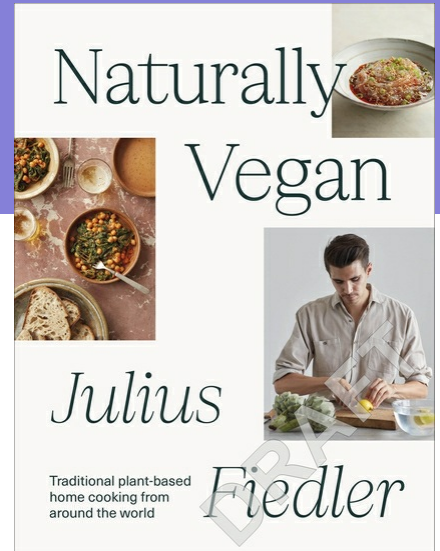

To many, the vegan movement is a thing of novelty that might pass us by sooner or later. But long before the advent of veganism, plant-based cooking was already essential to most cultures.

With 100 naturally vegan recipes from across the globe - from fluffy Keralan pancakes to lemony Turkish koftesi - Julius explores classic home-cooking techniques and dishes that champion simple, sustainable ingredients.

Naturally Vegan is as much about balancing flavours as it is about making nutrient-rich meals. It's a reflection on treading lightly on the Earth, slowing down, and taking pleasure in process. Above all, it's a celebration of traditional plant-based food, of eating and cooking in tune with nature.

THE AUTHOR

Julius is a filmmaker-turned-food creator on a clear mission: to promote a natural, unprocessed, diet that supports the health of both people and the planet. His stunningly executed videos, watched by a combined audience of more than 4 million, are packed with techniques for mastering natural vegan dishes. Moving to the UK from Germany in 2018, Julius's career in food began in earnest during the pandemic - hosting sourdough baking classes under the name "Baking Hermann". He then went on to be a food stylist at Jamie Oliver's HQ. His videos are packed with techniques for mastering sustainable, naturally vegan dishes, and garner millions of views across Instagram (@hermann, 2.4M followers), TikTok (846K followers, 16.1M likes) and now YouTube (565K subscribers). Alongside posting his own recipes, Julius has collaborated with other health and food creators such as Tim Spector (@tim.spector) and Max La Manna (@maxllamanna). He is a proud Ambassador for Slow Food UK.

What the Artist Saw Henri Matisse

Heather Alexander

See how iconic artists were influenced by their environments in this beautiful series

THE PITCH

- **STANDS OUT FROM OTHER BOOKS ON THE MARKET:** The book stands out from other books about artists with its blend of narrative nonfiction and reference, plus approval from the world-leading experts at the Met
- **MORE THAN JUST BIOGRAPHIES:** These artists' inspiring life stories, retold and illustrated for 7–9 year olds, are accompanied with photographic timelines, informative art reference, and interactive art ideas to try at home
- **ON TREND:** Henri Matisse's artworks enter the public domain in 2025, so this will be one of the first to market books about the artist for kids
- **FULL COLOUR ILLUSTRATIONS:** Engaging illustrations reinforce the text and bring the artist's experiences and creations to life

THE BOOK

See the world through Henri Matisse's eyes and be inspired to produce your own masterpieces.

Have you ever wondered exactly what your favourite artists were looking at to make them draw, sculpt, or paint the way they did? In this charming illustrated series of books to keep and collect, you can see what they saw, and be inspired to create your own artworks, too. In *What the Artist Saw: Henri Matisse*, meet the famous French painter and printmaker.

In this series, follow the artists' stories and find intriguing facts about their environments and key masterpieces. Then see what you can see and make your own art. Take a closer look at landscapes, or even yourself, with Vincent van Gogh. Try crafting a story in fabric like Faith Ringgold, or carve a woodblock print at home with Hokusai. Every book in this series is one to treasure and keep – perfect for budding young artists to explore exhibitions with, then continue their own artistic journeys.

THE AUTHOR

Heather Alexander is the acclaimed author of more than 70 books for children. She writes both fiction and nonfiction for ages five through thirteen. Some of her many books include the award-winning A Child's Introduction to . . . series, Life on Earth lift-the-flap series, Wallace and Grace early chapter mystery book series, The Magic Stardust Friends early chapter book series, and the new middle grade series, Eat Bugs. In addition to writing, Heather works as a children's book editor, packager, and literary scout. She currently lives in Los Angeles.

Margarida Esteves is an illustrator based in south London. She studied Illustration at Camberwell College of Arts UAL and has worked as an illustrator for many years. She likes to use bold and bright colours, lots of details and rich textures. Maps, landscapes and ballet dancers are her favourite things to draw, but she also likes to write stories and experiment with design, typography, and print!

Animal Partnerships

Ben Hoare

A book about surprising animal collaborations, proving that it's sometimes (but not always!) better to work together

THE PITCH

- **BEST-SELLING AUTHOR:** Ben Hoare wrote *An Anthology of Intriguing Animals*, which has sold 35,000 copies in the UK and 94,000 copies in the US (Source: Bookscan)
- **PACKED WITH INFORMATION:** This book will showcase examples of partnerships such as mutualism, (win-win), commensalism (win-unaffected), and parasitism (win-lose!)
- **NEW DISCOVERIES:** Showcasing groundbreaking scientific discoveries, this title includes animal behaviours only published as recently as July 2024
- **INTRIGUING FACTS:** This title contains facts about previously unknown animal behaviours, that are guaranteed to wow adults and children alike
- **STUNNING IMAGES:** Photographs are paired with charming illustration to show each animal in incredible detail

THE BOOK

Often we see animals that live independently and thrive on their own, but what about those who need a helping hand? Discover a whole host of partnerships from across the animal kingdom, with the nature enthusiast and best-selling author Ben Hoare.

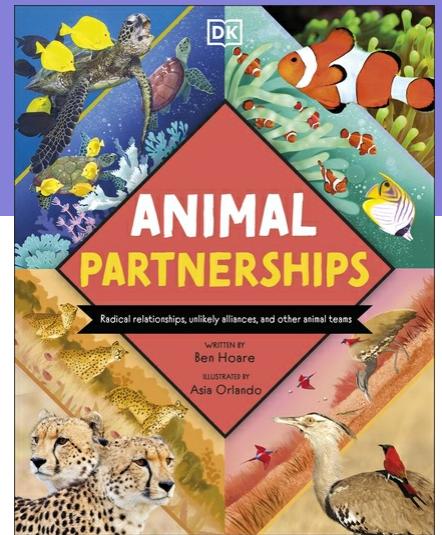

Explore cooperative relationships between sea turtles at underwater "cleaning stations" ran by surgeon fish, "bands of brothers" within particular species of big cats, and even cross-species alliances between birds and dolphins that are hungry for a shared meal. Discover how animals and plants depend upon each other to hold their territory, and how even humans have come to develop partnerships with animals all around the world.

How do ants treat an infected leg? By performing surgery on their injured relative, of course! Read about colonies of animals living and working together, each with their own specialist job role. Did you know that worms can control how grasshoppers behave? It doesn't always end happily. Take a turn towards the darker side of symbiosis and learn about the biology of parasitic relationships, along with how some animal species steal the food and nests of others.

Get acquainted with unexpected animal teams around the world, and find out how these groups thrive in the wild as they defend, feed, and plot with each other in order to survive. Presenting these unpredictable discoveries, Ben Hoare's friendly, informative explanations are paired with stunning photographs and charming illustrations to make sure every page captivates the imagination. *Animal Partnerships* is a book packed full of surprises that you often wouldn't believe!

Dinosaur Club: The Edmontosaurus Stampede

Rex Stone

Travel back in time to the world of the dinosaurs with these character-driven adventure stories!

THE PITCH

- **HIGH-PEDIGREE CREATIVE TEAM:** Made in partnership with Working Partners, the creators of *Beast Quest*, which has sold 18 million copies worldwide (Source: Working Partners)
- **PACKED WITH DINO FACTS:** The series introduces nonfiction to children who love stories, but also features non-fiction spreads, and is reviewed by palaeontologist Dougal Dixon for accuracy
- **EVERGREEN SUBJECT MATTER:** Dinosaurs is a subject universally beloved by kids, making the books highly collectible. In this instalment, Jamie and Tess encounter Edmontosaurus (ed-MONT-oh-SORE-us)
- **A MODERN UPDATE:** A modern revision of the bestselling *Dinosaur Cove*, updated with a new premise, new characters, new artwork, and the latest dinosaur discoveries

THE BOOK

Travel through time to the world of the dinosaurs in this exciting prehistoric fiction series for children.

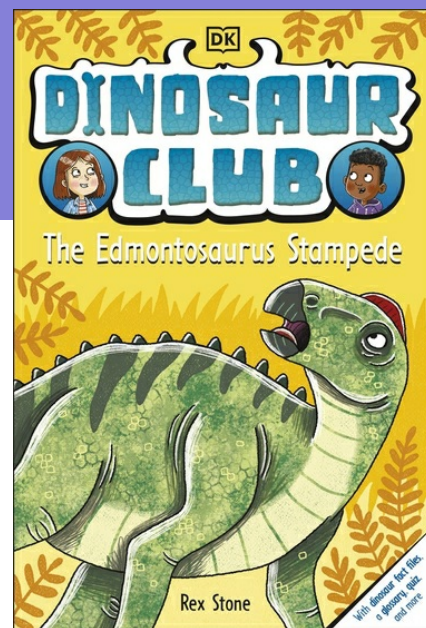

Jamie has just moved to Ammonite Bay, a stretch of coastline famous for its fossils. Jamie is a member of the Dinosaur Club - a network of kids around the world who love all things prehistoric. Jamie takes his tablet everywhere, just in case he needs to contact the Club.

Jamie is exploring Ammonite Bay when he meets Tess, a member of Dinosaur Club who lives in Ammonite Bay too. Tess shows Jamie her favourite place - a secret cave with fossils all over the walls. They go through a tunnel at the back and discover some dinosaur footprints. When they walk along them, the two new friends find themselves back in the time of the dinosaurs! It's amazing, but dangerous, too - they'll definitely need help from Dinosaur Club...

In this fun, action-packed adventure, Jamie and Tess meet the hungry herbivore Edmontosaurus (ed-MONT-oh-SORE-us) and get caught in a stampede!

The Ocean's Heartbeat

A Story About the Beauty of Every Beating Heart

Anna Taube

A picture book about the beauty of every heart and celebrating your own uniqueness

THE PITCH

- **CELEBRATES DIVERSITY AND SELF-WORTH:** This warm, joyous picture book is a homage to the diversity of living creatures and encourages children to value their uniqueness
- **FILLED WITH KNOWLEDGE AND A LOT OF HEART!:** A beautiful and expertly checked story that teaches children about the unique hearts of different animals
- **LOVINGLY CREATED BY A GROUP OF ARTISTS CALLED DAME & DUSA:** Atmospheric collage artwork captures the magic of the jellyfish's journey to find a mysterious heartbeat
- **BROADENING AUDIENCE REACH:** Originally published in German, this book has been translated into English for the first time

THE BOOK

In the depths of the big wide sea, the little jellyfish hears a loud THOOMP. What is this mysterious sound?

With magical collage illustrations, this is a joyous, read-aloud picture book about the uniqueness of every creature's heart.

A wise fish explains to the jellyfish that the loud THOOMP is a heartbeat. The jellyfish listens to the soft heartbeat of the wise fish. Sadly, she realises she has no heartbeat herself though, and she still needs to find the very loud THOOMP. So off she swims to search for it. Along the way, she meets all kinds of creatures and learns about their heartbeats, from the seal to the whale to the octopus that has three hearts! But why can't she hear her own?

Packed with fascinating scientific knowledge, including extra pages about the unique hearts of more amazing creatures, this engaging book conveys the incredible diversity of life on Earth, and encourages everyone to love how they are different and to celebrate being themselves.

THE AUTHOR

Creators: dame & dusa are Annegret Haider, Dagmar Krause, Andrea Hesse, Anna Krumpholz, and Hanna Pohlmeyer-Abert - three designers and two architects, who live in Austria. This story is their homage to the uniqueness of every creature on Earth.

Translated from the German text by Anna Taube: Anna Taube has been creating children's books for more than ten years. The little jellyfish captured her heart instantly. Anna lives in Germany.

Consultant: Jules Pottle is a science specialist and author, and was the recipient of the Primary Science Teacher of the Year Award in 2015. She lives in Oxfordshire.

Good Bits

Kes Gray

Tales for kids who love the unexpected, this imaginative and highly original collection of short stories demands to be read

THE PITCH

- **BESTSELLING AUTHOR:** Kes Gray is an award winning author of bestselling children's books, like *Oi Frog*. Kes's books have sold over 3 million copies worldwide (Penguin.co.uk)
- **ENGAGING FORMAT:** An early chapter book with intriguing illustrations and irresistible opportunities for budding authors and artists to continue the adventure themselves
- **SHARED STORYTELLING:** Shorter stories with exciting plots encourages shared storytelling, which is beneficial for developing language skills (Altamimi, M. O., & Ogdol, R., 2023)
- **UNLOCK CREATIVITY:** Engaging questions and leading line art illustrations encourage children to carry on the story, through writing or drawing, and activate their imaginations

THE BOOK

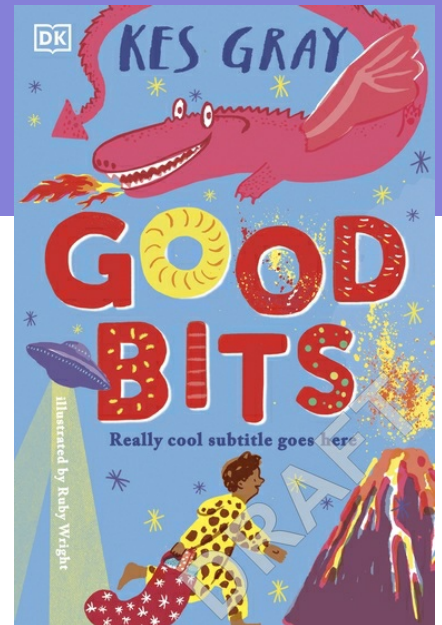

This imaginative collection of engaging short stories is perfect for all kids, from those who love reading, to those who struggle with books.

From a spaceship flight into a Black Hole, to a sprite that comes out of a ketchup bottle; from a magical pen that knows all the answers to a test, to a crochet-loving pirate; this collection of original short stories by bestselling author Kes Gray will excite and inspire young readers not only to read on, but also to write and illustrate their own stories.

Fast-paced and action-packed, *Good Bits* is ideal for kids who need a bit of encouragement to keep them reading. The layout, clever use of typography and black line illustrations make the stories exciting and approachable, and the short story form is perfect for a quick adventure somewhere new. Written by award-winning children's author Kes Gray, *Good Bits* is exactly that – the brilliant characters, actions and settings that together spin a story that demands to be read.

THE AUTHOR

Kes Gray is a British author who exploded onto the shelves in 2000 with his debut and prize-winning picture book, *Eat Your Peas*. Kes hangs his hat on the picture book hook but is a successful chapter book author too. His books can be poignant or hilarious – and are used by parents, teachers, librarians and carers up and down the country, and throughout the world, to get children into and then hooked on reading. Kes is absolutely committed to making children laugh, think, feel and enjoy books. It shows!

- **TWO FORMATS:** available in two sizes: 9 x 9 in (230 x 230 mm) and a slightly reduced size of 8 1/4 x 8 1/4 in (210 x 210 mm)

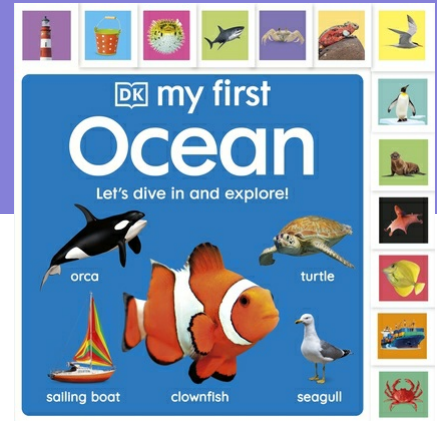

THE BOOK

Let's discover the world of oceans and the animals that live in them!

Step into the watery world and learn about sharks, whales, and more in this colourful ocean book. From birds found on the seashore to reptiles that live under the waves, babies and toddlers will love learning all about oceans.

Inviting and educational, the colour-themed pages are filled with all sorts of delightful objects and amazing animals. Bright and colourful photographs illustrate each word, with easy-to-read labels so your little one can sound out the words with you. This interactive book encourages children to find things on the page, learn colours, and practise counting. It delivers a rounded early learning and reading experience, which helps your little one develop early speaking, listening, and observation skills.

The book has strong board pages made especially for young children. The chunky tabs along the top and side are easy to grab to help with early motor control. Pre-schoolers will quickly recognize the picture on the tab, which will take them straight to their favourite topic.

My Very Important Lift-the-Flap Book: Dinosaurs and Other Prehistoric Life With More Than 80 Flaps to Lift

An interactive lift-the-flap dinosaur book for inquisitive young readers

THE PITCH

- **BEST-SELLING SERIES:** Spin-off to the popular My Encyclopedia of Very Important Things series, which has sold over 120,000 copies in the UK (Nielsen Bookscan, 2024)
- **EDUCATIONAL CONTENT:** Trustworthy and accurate information has been devised and verified by internationally recognized author and multi-award-winning palaeontologist Dean Lomax
- **MORE THAN 80 FLAPS:** each one integrated into the design and fully interactive, with fun facts and pronunciations for all dinosaurs and other prehistoric creatures
- **SUPPORTS DEVELOPMENT:** Lift-the-flap books have been found to help children develop their fine motor skills (Baby Sparks, March 2020)

THE BOOK

Lift the flaps to learn about the incredible creatures that roamed the planet long, long ago.

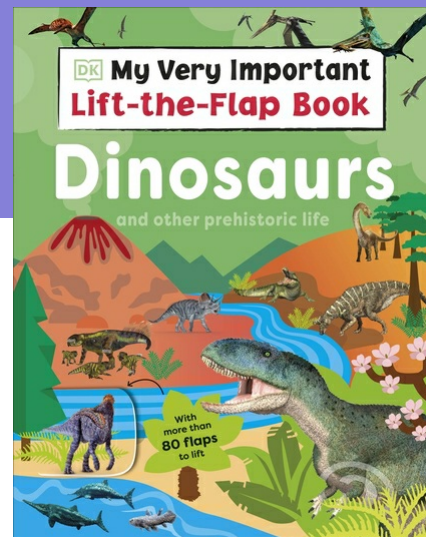

Journey through Triassic lands, a Cretaceous forest, Paleogene plains, and more to meet fascinating creatures in their natural habitats. Then team up with expert palaeontologists on a dinosaur dig to uncover fossils, and take a trip around a museum to learn about unbelievable dinosaur discoveries.

From the enormous Patagotitan to the tiny Microraptor, over 100 different dinosaurs and other prehistoric creatures are hidden within the pages of this book, just waiting to be discovered. Explore the beautifully illustrated habitats and scenes and spot the expertly-created CGI images of dinosaurs, then lift the flaps to find out more! Fun and educational text gives children all the important facts, whilst age-appropriate questions invite young readers to recall information and explore the scenes for clues.

Perfect for any little fossil hunter or dinosaur enthusiast, this book is full of fun dino facts and exciting new discoveries. Time to travel back to the lost world of the dinosaurs!

A Kids Book About Surrogacy

Kira Chesak

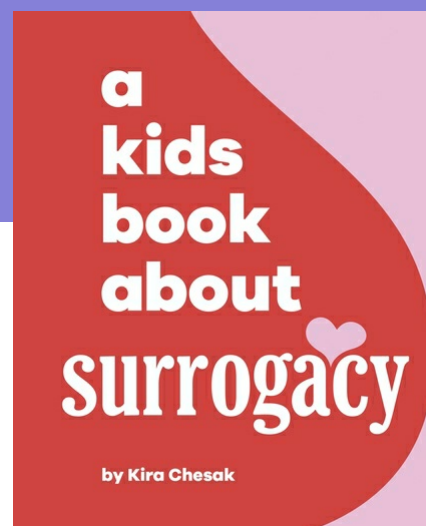

Surrogacy is a beautiful way to help people achieve their dreams of having a family!

THE BOOK

Sometimes, people really want to have a baby, but they aren't able to. And sometimes, that's where surrogates can help! Surrogacy is when someone carries a baby in their womb for someone else. This author shares her experience as a surrogate, what it was like to go through the process, and overall, the privilege and joy it is to help someone else achieve a huge dream: creating a family.

THE AUTHOR

Kira Chesak (she/her) is a wife, mom, and a one-time surrogate. She believes we all need less hate and a whole lot more love. Born on February 14, she also believes our world would be a better place if everyone acted like every day was Valentine's Day.

A Kids Book About Unconscious Bias

Wendy Batchelder

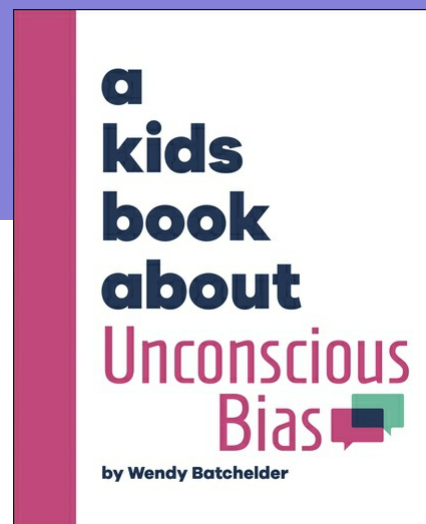

We all have unconscious biases, and we all have the ability to choose curiosity and empathy over our own assumptions.

THE BOOK

A bias is when we have an assumption about someone else, not based on facts. Unconscious bias means we're making assumptions and don't even realize it. And guess what? We ALL do it. So, what can we do? Well, this author is here to share her understanding, pose thoughtful questions, and encourage you to challenge the way you see others, while staying curious.

THE AUTHOR

Wendy Batchelder (she/her) is a self-proclaimed data geek, lifelong learner, and seriously curious person. She has spent her life learning new things and challenging the status quo. She lives in Des Moines, Iowa, with her husband and their 6 kids.

A Kids Book About Alzheimer's

Tanya Iovino, Kiki Kouris

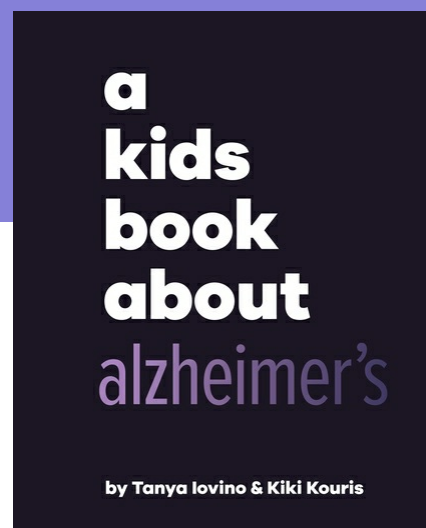

Learn more about Alzheimer's disease, its effects on those who have it, and how to show love to someone living with it.

THE BOOK

Alzheimer's can be a big and scary-sounding word, especially if you know someone who has it. It's a disease that affects every part of daily life and impacts everyone: those who have it and the people who love them. This book lets kids know what Alzheimer's is and what it can look like, as well as offers support and encouragement for kids (and grownups) who love someone with Alzheimer's.

THE AUTHOR

Tanya Iovino (she/her) and Kiki Kouris (she/her) are passionate advocates for Alzheimer's awareness and work to support those impacted by the disease. They honor the memory of their yiayia (grandmother) who passed away from Alzheimer's in 2011. They hope this book brings you comfort.

A Kids Book About Masculinity

Next Gen Men

Masculinity is something that can mean so many things, if only we allow the space for a multitude of expressions to coexist.

THE BOOK

What comes to mind when you think of "masculinity"? Certain ways to act? Talk? Just simply be? We believe masculinity is a story which can and should be told in more than one way. Masculinity is not something which is done either "right" or "wrong"—it's a unique and individual choice. When we get to write our own stories, the world is a much fuller, more beautiful place.

THE AUTHOR

Jonathon Reed (he/him) is a mentor for many boys and young men. His passion for supporting their mental well-being and working with them to challenge gender-based violence started when he was a boy himself. Jonathon works for Next Gen Men, a nonprofit organization changing the way we see, act, and think about masculinity.

A Kids Book About Positive Mindset

Erin Santamaria

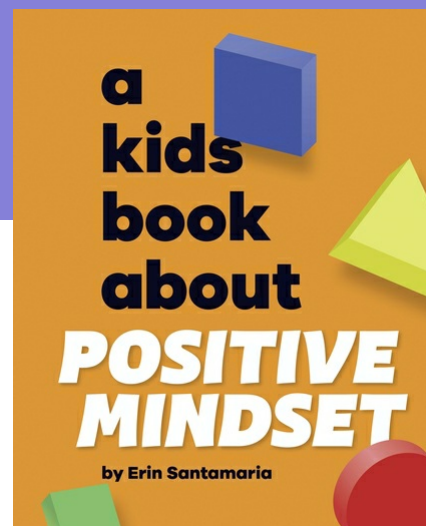

Building a positive mindset is the key to cultivating healthy thoughts!

THE BOOK

Each of us thinks thousands of thoughts every single day. That's pretty amazing! But...that doesn't mean every thought is helpful. In fact, some of them can be pretty harmful. So, what do we do? This book is all about building up a positive mindset and how to manage your thoughts. The more we push back on the negative ones, the less powerful they are, which gives us lots of room for positive growth!

THE AUTHOR

Erin Santamaria (she/her), a Canadian tech recruiter and mom living in the USA, turned self-doubt into strength through reading positive mindset books. After a layoff, she deepened her commitment, crafting books for kids to foster early emotional growth and sharing mindset strategies with job seekers—nurturing resilience from childhood to career.

A Kids Book About Chronic Illness

Gigi Robinson

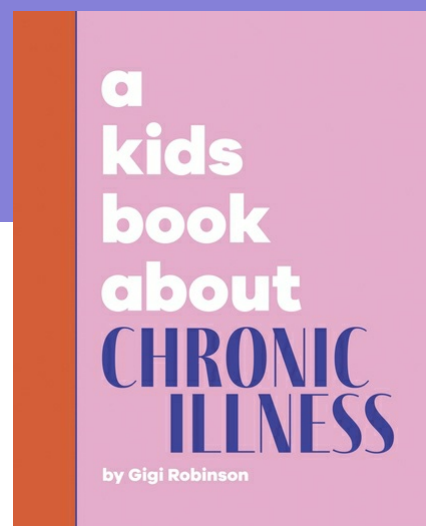

Learn about living with a chronic illness and how to build confidence when it comes to speaking up about your needs.

THE BOOK

Chronic illnesses are lifelong health issues that can make the simple act of growing up feel different for kids who have them. And that can sometimes be lonely and frustrating. But learn from an author with a chronic illness how to reshape your mindset, find new passions, and pour your energy into things that empower you and fill your life with joy.

THE AUTHOR

Gigi Robinson (she/her) is a GenZ thought leader and motivational public speaker who talks about chronic illness, body image, and confidence. Gigi's positive outlook on life is based on her well-known mantra "Everything You Need Is Within," which has empowered millions around the world to become their own best advocate.

A Kids Book About Foster Families

Children & Families First

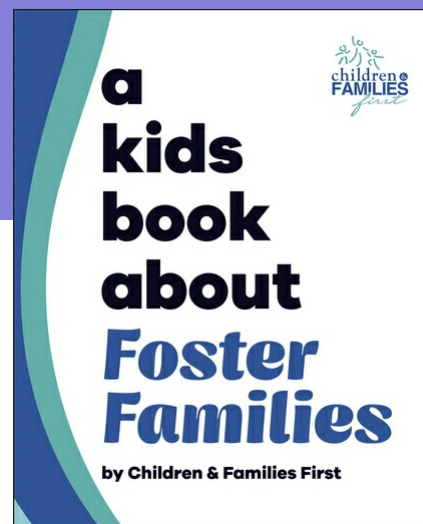

Foster families exist to provide safety and care for kids in times of tough transitions.

THE BOOK

Sometimes, when grownups aren't able to care for their kids, foster families can help. This means a lot of changes, and can be scary. The cool thing is that foster families are committed to providing kids with safety and security during times of transition. No matter your experience, you aren't alone.

THE AUTHOR

Children & Families First, a nonprofit organization serving Delaware, has been providing foster care and adoption services for over a century. We use evidence-based, equity-centered, and innovative approaches to build diverse, healthy, and resilient communities where all children and families thrive.

- The small businesses and community strongholds that add character to this vibrant city, recommended by true locals
- 6 themed walking tours dedicated to specific experiences such as rooftop bars and scenic city strolls
- A beautiful gift book for anyone seeking to explore Lisbon
- Helpful what3word addresses, so you can pinpoint all the listed sights
- A thoughtfully updated second edition, including new places to visit

Compiled by three proud locals, and revised and updated for 2025, this stylish travel guide is packed with Lisbon's best experiences and secret spots, handily categorized to suit your mood and needs.

Whether you're a restless Lisboeta on the hunt for a new hangout, or a visitor keen to discover a side you won't find in traditional guidebooks, *Lisbon Like A Local* will give you all the inspiration you need.

About Like A Local:

These giftable and collectable guides from DK are compiled exclusively by locals. Whether they're born-and-bred or moved to study and never looked back, our experts shine a light on what it means to be a local: pride for their city, community spirit and local expertise. Like a Local will inspire readers to celebrate the secret as well as the iconic – just like the locals who call the city home.
