The Anthropology Book

Big Ideas Simply Explained

Get to know your species

THE PITCH

- **UNIQUE APPROACH:** Accessible text, bold graphics, and witty illustrations make complex ideas easy to understand
- **HOLISTIC PERSPECTIVE:** Draws on the work of researchers from a range of specialist fields, including cultural historians, forensic archaeologists, evolutionary biologists, and musicologists
- **EXPLORES DIVERSITY:** Examines social constructs around race, gender, and physical health, as well as political hierarchies
- **BEST-SELLING SERIES:** The "Big Ideas" series has sold more than 13 million copies in 130 countries and in 39 languages

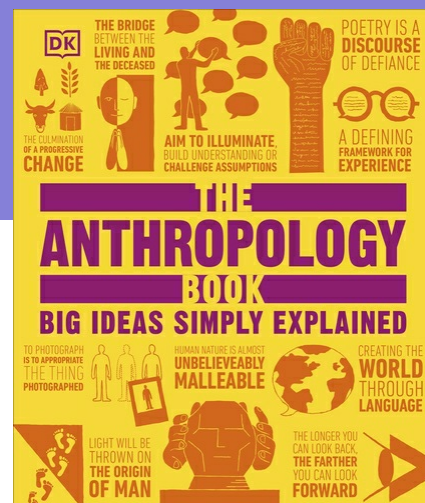

THE BOOK

Explore and understand the key ideas and movements in anthropology – the study of human societies and cultures and how they work.

What does it mean to be human? Why do we have rituals? How do family structures differ around the world, and why? *The Anthropology Book* answers questions like these and many, many more. Applying the "Big Ideas" series' combination of authoritative, accessible text and bold graphics, *The Anthropology Book* introduces key concepts from different branches of the subject, such as cultural anthropology, ethnography, and biological anthropology, and explains how they have developed over the past century. The book explores the origins of human life and cultures, and how societies develop traditions, laws, and languages. Profiling renowned anthropologists, such as Claude Lévi-Strauss and Margaret Mead, and covering topics as diverse as biology, medicine, war, sexuality, family roles, and kinship, *The Anthropology Book* is a fascinating, accessible introduction to the core principles of anthropological thought.

Make It, Don't Buy It

Recipes So Good You'll Never Eat Out Again

Matt Remoroza

Make better food, spend less, and rediscover the joy of cooking

THE PITCH

- **100+ SIMPLE, FLAVOR-FORWARD RECIPES:** Focuses on realistic recipes for dishes that people can easily make at home.
- **RESTAURANT-WORTHY FOOD FOR LESS:** Offers an alternative to takeout with recipes for meals that taste better and cost less than eating out.
- **MAKES COOKING FUN:** Adds a level of entertainment to cooking by encouraging readers to replicate favorite store-bought foods and make their own comparisons.
- **PLAYFUL DETAILS:** Matt's friendly, low-key humor is reflected in whimsical illustrative details and sidebars.
- **INFLUENCER AUTHOR:** Matt has over 2M followers across platforms (@morocooks) with strong engagement (about 5%)

THE BOOK

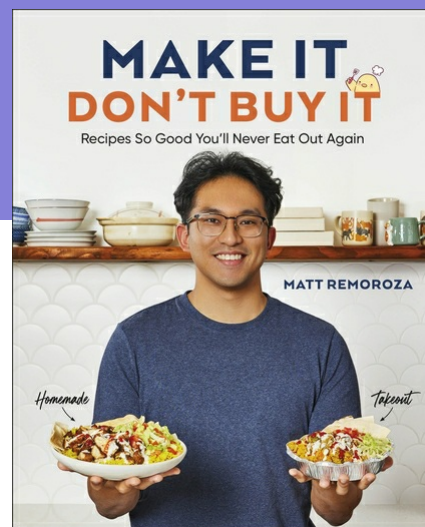

Have you ever been shocked by the price of a fancy blended drink or wondered if you could make a better, less expensive version of your favorite takeout salad at home? Often, the answer is yes, you can—and Matt Remoroza will show you how.

Make It Don't Buy It invites you to stop ordering takeout and try your hand at making your favorite store-bought foods from scratch, with over 100 recipes for dishes that taste better and often cost less than their overpriced restaurant counterparts. This unique cookbook draws on a variety of cuisines to satisfy every craving. Enjoy comforting breakfasts (Biscuits and Sausage Gravy), riffs on chicken and rice (Teriyaki Chicken, Halal Cart Chicken), and slow-cooked comfort food (Dipped Italian Beef, Easy Carnitas), as well as satisfying beverages (Iced Mango Matcha Latte) and impressive desserts (Basque Cheesecake). Matt breaks down the ingredients, tools, and techniques you'll need to discover for yourself how simple it can be to make restaurant-worthy meals at home.

You'll be inspired to cook more, eat out less, and make meals in your kitchen that are tastier than anything you'll find on a delivery app or in the frozen aisle in a grocery store.

THE AUTHOR

Matt Remoroza is the creator of the @morocooks channels on YouTube, Instagram, and TikTok. Originally inspired by other YouTube channels like *Binging with Babish* and *Chef John*, Matt taught himself to cook and began making videos, following themes like "Make It Or Buy It?," "Packing Lunch For My Girlfriend," and "Get More From Your Food" that resonated with his rapidly growing fanbase. Known for his simple, straightforward recipes and affable personality, Matt keeps the cooking simple, the mood light, and the attitude just a little irreverent.

- **A NEW COMFORT FOOD:** Featuring a range of flavors inspired by cuisines around the world, *Slurp* goes beyond traditional ramen recipes.

THE BOOK

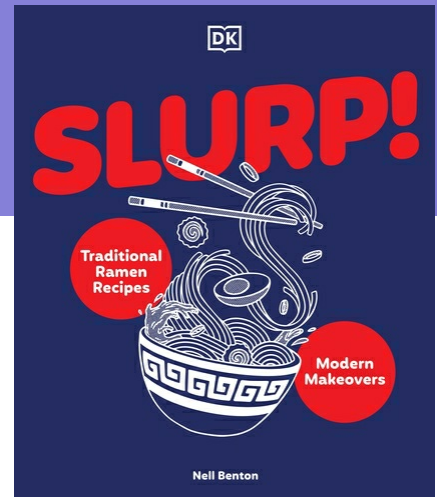

Steaming, savory ramen is a favorite Japanese dish, but this slurpy comfort food can go well beyond the traditional flavor combinations. Learn how to build the perfect ramen bowl from the bottom up, starting with the noodles and moving on to the stock (dashi, chicken, pork, or vegetarian), protein, vegetables, and garnishes. This highly visual, beginner-friendly book includes:

- Detailed information on the origins of ramen and the key components of the dish
- Step-by-step photos for essential recipes, including fresh ramen noodles
- Over 60 recipes for ramen bowls and accompaniments, ranging from classic to contemporary flavor combinations

Master the basics with classic Japanese preparations like **Tonkotsu Ramen** or explore irresistible modern interpretations featuring ingredients and flavors from around the globe, like **Kimchi Apple Ramen**, **Cuban Pork Ramen**, and **Butter Corn Chicken Ramen**. In addition to ramen recipes, you'll also find recipes to accompany ramen, like **Spicy Bean Sprout Salad** and **Gyoza**, as well as recipes to make with instant ramen noodles, such as **Ramen Frittata**. Whether you want to make fresh ramen noodles and broth from scratch or just get creative using premade ingredients, *Slurp* provides what you need to satisfy your ramen cravings.

What Grows Together

Fail-safe Plant Combinations for Every Garden

Jamie Butterworth

The ultimate shortcut to successfully growing beautiful plant combinations throughout the year

THE PITCH

- **PLANT COMBINATIONS:** 65 planting recipes for spring, summer, and autumn for gardeners to peruse and replicate, achieving a designer's scheme in their own garden
- **GROUNDBREAKING APPROACH TO PLANTING RECIPES:** Plant combinations detail the planting "ingredients" as well as showing the finished "recipe" (inspired by Jamie Oliver's 5 Ingredients)
- **UNIQUE PHOTOGRAPHIC APPROACH:** All combinations are shot on set in a polytunnel to achieve that recipe feel; the end result is stunning and inspirational
- **FROM EXPERT GROWER AND DESIGNER:** RHS Ambassador Jamie Butterworth has won more than six RHS show medals and works with high-profile clients such as Gucci

THE BOOK

Do you want stunning pots and borders? These quick and easy planting recipes are all you need!

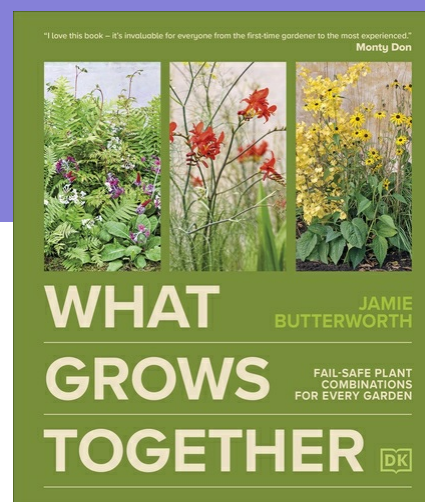

Are you dreaming of a garden full of beautiful planting? Do you need simple, easy advice on which plants to grow together and the conditions they need to thrive?

What Grows Together is the ultimate shortcut for achieving a flourishing, well-planted garden. No matter if your garden is big or small, shady or sunny, or if you've never planted anything before, with these easy-to-follow planting recipes you will create a vibrant garden in no time.

There are over 60 combinations looking their best across spring, summer, and autumn, plus advice on creating extended colour and interest into winter. What's more, all recipes are suitable for containers or borders so there is a winning plant combination for every garden and time of year.

THE AUTHOR

Jamie Butterworth is a passionate plantsman and horticulturist. He is one of the UK's leading — and youngest — nursery owners, establishing Form Plants in Surrey in 2021. Aged 30, he has been in the gardening industry for more than 14 years. He trained at RHS Garden Wisley, has worked on more than 15 RHS Show gardens (winning four RHS Gold medals, including at RHS Chelsea Flower Show), and has been an RHS Ambassador since the age of 24. In 2024, Jamie collaborated with Anya Lautenbach on the Money-Saving Garden at RHS Hampton Court Palace Garden Festival. In 2025, he will be exhibiting Garden For Dogs alongside Monty Don at the RHS Chelsea Flower Show.

RHS Waterwise Garden

Sustain Your Garden Through Drought and Flood

Tom Massey

How to design and create a water-saving garden

THE PITCH

- **SMART SOLUTIONS:** Award-winning designer Tom Massey brings ingenious ideas and design prowess to make gardening sustainably achievable for everyone
- **BESPOKE DESIGN:** Includes a fully visualised design for a waterwise garden, with practical solutions for too much or too little water and using water sustainably
- **MANAGING DEMAND:** Statistics show that extreme weather events involving both flood and drought are now three times more common than 40 years ago

THE BOOK

Transform your garden into a water-saving and water-absorbing haven that's fighting fit to thrive in an uncertain future of drought and flood.

Truly successful and sustainable gardens depend on one thing – water. Whether you have too much (or not enough), water is at the root of your garden, bringing life to plants, the soil and to biodiversity.

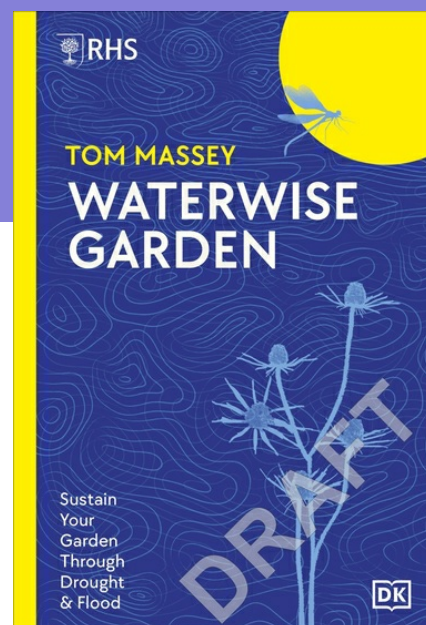

But with our changing climate, extreme weather events and limited resources, how do you make a beautiful, useful and long-term waterwise garden? Discover how to design a garden that will use water efficiently, work out the water flow in your garden, the key plants to grow for a changing climate, and how planting can be used to soak up excess water.

Whether dealing with flash flooding or ongoing summer droughts, creating sustainable drainage solutions or designing an ephemeral pond, now is the time to make your garden waterwise.

THE AUTHOR

Tom Massey is a DK author, television presenter, and multi award-winning garden designer based in London. His first book, *RHS Resilient Garden* (DK global sales 13,460), has been consistently in the Bookscan top 20 gardening books since it published.

House and Garden magazine named TOM as one of the top 50 garden designers and he received the Society of Garden Designers award for best small residential garden in 2022. He has received five medals (two gold) from the RHS Chelsea Flower Show, and BBC People's Choice award in 2021. He was one of the designers on BBC2's *Your Garden Made Perfect* (2021 and 2022).

Astrocartography

An Astrologer's Guide to Where You'll Thrive

Clarisse Monahan

Map out your 'power places' for personal transformation with Soho House's resident astrologer

THE PITCH

- **COSMIC TINDER FOR PLACES:** Geo-matchmaker Monahan pinpoints where and how readers can align with planetary energies ('power places') for fulfilment and growth
- **FIRST TO MARKET:** An original approach to astrology that plots the reader's birth chart against a world map to reveal auspicious and challenging locations
- **NEW WAVE:** 80% of Soho House astrology readings and lectures are astrocartography focused. As their resident astrologer, Monahan is the go-to voice and leading this wave
- **ACCESSIBLE AND INTERNATIONAL:** Inspires readers to travel the world to access astrology's transformative power or tap into energies remotely

THE BOOK

Map out a life full of meaning and growth through your power places.

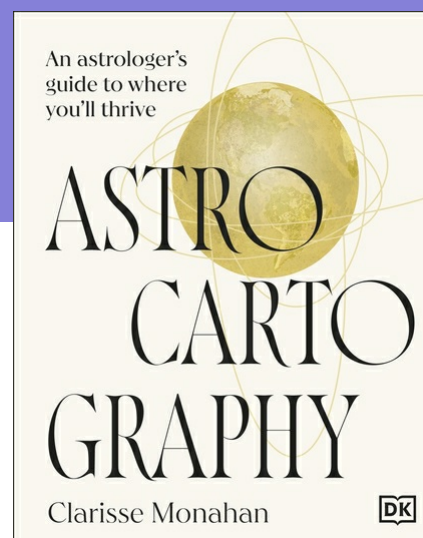

Just as astrology helps us understand our place within the great cosmic order, astrocartography shows us – literally – where in the world we can thrive and be our best selves. Whether you're seeking love, success, or a change in scenery, let Clarisse Monahan, Soho House's resident astrologer, show you how and where to find it.

Guided by your birth chart and planetary lines, Monahan explains how to create and decode your personal astrocartography map, and find the best locations where you can pursue your goals. Seek these places out either through travel or remote activation to tap into the energies and transformational opportunities they offer.

Complete with suggestions for getting the most out of your astrocartography reading, unlock your potential and seek out a new adventure today.

THE AUTHOR

Clarisse Monahan is Soho House's resident astrologer. She practises astrology and tarot, and keeps her third eye fully open to the deep cosmic alignments and principles that structure our experience of time. When life seems convoluted and nonlinear, Monahan shows us how astrology can clarify one's sense of place in the greater cosmic order. She was born in Ireland, lives in Germany and regularly travels the world to offer astrocartography readings across Soho House's sites, including London, Berlin, Copenhagen, Amsterdam, Barcelona, Rome, Istanbul, Paris, Stockholm, New York, Chicago, LA, Toronto, Hong Kong, Mumbai, Bangkok, Mexico City and Sao Paulo. This is her first book.

The Periodic Table

From Alchemy to the Nuclear Age

All 118 chemical elements that make up the universe – pictured, analysed, and explained

THE PITCH

- **THE STORY OF CHEMISTRY** Elements are presented in the order in which they were discovered with text that reveals how they were discovered, setting them in their historical context
- **ATOMS IN ACTION** Beautiful, clear graphics picture the atoms of the elements, showing how they make the element radioactive, volatile, or simply inert and beautiful
- **UNIQUE APPROACH** Showing the elements as they've never been seen before, a popular science book to enhance our appreciation and understanding of the world around us
- **CHEMICAL ESSENTIALS** Covers the fundamentals of chemistry, such as ions, bonding, molecules, and compounds

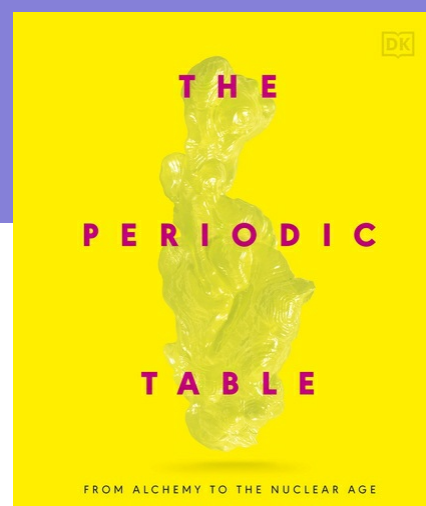

THE BOOK

All the chemical elements that make up the universe – pictured, analysed, and explained.

Every atom in the Universe belongs to one of 118 different types, and each of these builds an elemental substance. Some elements, such as copper and gold, are unreactive and have been extracted intact from Earth's crust by miners since prehistory. More elusive elements including arsenic and phosphorus were revealed by medieval alchemists. Since then, scientists and chemical engineers have isolated many more elements that were invisible, hidden, rare, or unstable. Once enough elements were revealed, scientists noticed patterns that chimed like notes on a keyboard, and arranged the elements into eight columns, according to the "law of octaves". This became the periodic table, now 118 elements strong, that partly describes and explains the nature of these fundamental substances.

By presenting the elements in the order in which they were discovered – from the lead and carbon of antiquity to the latest radioactive elements flickering briefly into existence in the lab – the book tells the story of chemistry. With bold, clear graphics, it looks at why each element is different, showing how each type of atom leads to the unique chemistry of its element. Every element has: graphics of its atoms or chemical reactions, gorgeous images of the element in nature and in use by humans in technology or culture, and a big infographic data file including key information such as how it was created in the Universe, and where it crops up on Earth or in the human body.

The human stories set in their historic context, combined with bold design and striking images, make this a perfect introduction to chemistry. If you want to unlock the secrets of matter itself, open *The Periodic Table*.

The Structured Literacy Playbook

Preplanned Lessons for Building Phonics and Fluency Skills

A practical framework for planning and delivering targeted instruction, coupled with pre-planned lessons for pupils across the stages of word reading development

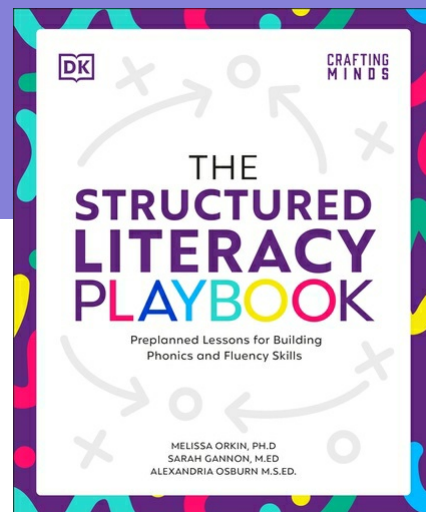

THE PITCH

- **WORKS WITH ANY PROGRAMME:** The ideas and activities included in this playbook can be implemented with any phonics programme
- **EXPERT AUTHORS:** Written by expert authors with over two decades of experience addressing diverse learning needs through implementation science
- **EASY IMPLEMENTATION:** An entry point for those new to teaching phonics. QR codes link to videos showing how to implement the activities
- **UNDERSERVED SEGMENT:** There are not many competitor titles in this area of the Science of Reading. This will help to establish us as thought leaders in this area

THE BOOK

As educators deepen their knowledge of evidence-based literacy practices, *The Phonics Playbook* will offer the resources necessary to build critical fluency and comprehension skills through lessons that weave phonics concepts into vocabulary and book reading activities.

The content follows a teacher-friendly format by centralising each chapter around a series of lessons that accompany Phonic Books decodable texts and offer instruction across foundational aspects of word knowledge. Descriptions and rationale for instructional routines are brief and well-illustrated and teachers can access additional lesson materials and demo videos through QR codes.

U.S. Government and Politics Simplified

A Comprehensive Guide to the American Political System

Franco Scardino

Become a more informed citizen with this clear and comprehensive guide to the founding principles of American government and the political processes that shape everyday life.

THE PITCH

- **UPDATED AND REFRESHED:** This update of the 2016 Idiot's Guide has a refreshed design and 20% new content, including role of the media and special interest groups.
- **INCREASED CIVIC ENGAGEMENT:** Recent U.S. elections have seen higher than average turnout, and voters are looking for reliable sources of information.
- **PERENNIAL CLASSROOM TOPIC:** Suitable as a supplementary text for U.S. government and civics classes, or for anyone seeking an accessible overview of the American political system.
- **CONTEMPORARY, NONPARTISAN RESOURCE:** There are few recent titles in this space that offer a nonpartisan look at the political system.

THE BOOK

The American political system can be challenging to navigate. In a time when the political climate can be contentious, understanding our system of government is more important than ever. This comprehensive guide covers the basics of U.S. politics in clear, easy-to-follow format, beginning with the founding principles of government and concluding with a nonpartisan look at today's political parties, elections, and public policy. It covers:

- The origin of the U.S. Constitution and other key documents.
- The distribution of power in American democracy and the responsibilities of the legislative, executive, and judicial branches.
- Present-day politics and the role of the media and special interest groups in shaping public policy.

Learn about the underlying processes that affect all Americans, including the establishment of civil liberties, the role of the Electoral College, and how policy decisions are made. Suitable reading for supplement coursework in high school government or civics classes or college political science classes, *U.S. Government & Politics Simplified* covers everything you need to know about the American political system.

My First Space: Let's Zoom Up to the Stars!

This busy board book with tabs gets little ones thinking, talking, and learning new words!

THE PITCH

- **BESTSELLING SERIES:** DK's My First series has sold over 300k copies in the UK (Source: Nielsen, Aug 2024)
- **LEARNING OPPORTUNITIES:** Clear word labels, early learning questions, and exciting photographs of space objects help 0–3 year olds to talk about their world and build knowledge
- **LANGUAGE DEVELOPMENT:** 'Talking about and labelling pictures' is a key factor in building vocabulary (Source: National Association for the Education of Young Children, 2019)
- **BUILDING FINE MOTOR SKILLS:** Safe, rounded picture tabs encourage dexterity and book skills, and have been thoroughly safety tested for babies and toddlers

THE BOOK

Let's discover twinkling stars and giant planets!

What can you see when you look up at night? Can you spot a brightly coloured planet? From the Moon and Mars to astronauts and rockets, babies and toddlers will love exploring space for the first time.

Each section of this engaging and educational book is dedicated to a different space topic. Bright, colourful photographs illustrate each word, with easy-to-read labels so your little one can sound out the words with you. The interactive book encourages children to count satellites, name the colours, and answer questions about things in space. This delivers a rounded early learning reading experience, and helps your little one develop early speaking, listening, and observation skills.

The book has strong board pages made especially for young children. The chunky tabs along the top and side are easy to grab to help with early motor control. Pre-schoolers will quickly recognise the picture on the tab which will take them straight to their favourite page.

Bright Baby

With a Mirror Surprise!

Rebecca Weerasekera

An exciting, multisensory, high-contrast board book for little ones, with tactile pictures, first words, and a mirror

THE PITCH

- **HANDS-ON LEARNING FOR 0-3 YEAR OLDS:** High-contrast colours, a peep-through cover, tactile die-cuts, first words, and a mirror make this book ideal for early learning
- **SUPPORTS EDUCATIONAL MULTISENSORY PLAY:** Research shows that 'Much of our learning comes through our ability to use our senses to retain information.' (actionforchildren.org, 2024)
- **HIGH-CONTRAST BLACK, WHITE, AND BLUE DESIGNS:** Research shows high-contrast colours 'send the strongest visual signals to baby's brain', encouraging eye focus and cognitive development (askdrsears.com, 2020)
- **FIRST WORDS TO READ ALOUD:** Naming the inviting pictures of a black-and-white zebra, a big-eared rabbit, a triangle-shaped mirror, and more develops language

THE BOOK

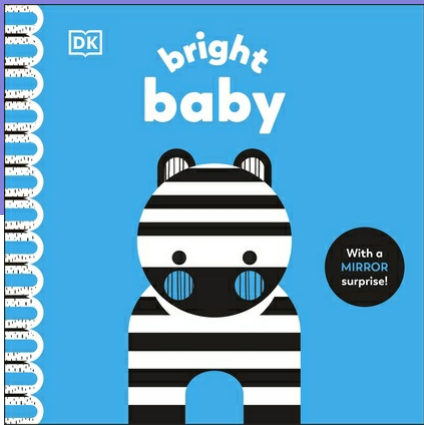

Filled with features to stimulate a baby's senses, this high-contrast black, white, and blue book has raised tactile pictures, a peep-through cover, first words, and a mirror!

Babies and toddlers will love getting hands-on and exploring every sensory page. They'll have fun touching raised, die-cut pictures of favourite animals, such as a black-and-white zebra and a big-eared rabbit, simple shapes, such as a triangle and a sparkly ring, and blue objects, such as a bright balloon and a crescent moon. And when they turn the final page, they'll be delighted by the shiny mirror surprise.

Engaging and multisensory, this inviting novelty board book makes a perfect gift for a baby or toddler. The high-contrast pictures are ideal for babies to focus on, stimulating their vision and encouraging cognitive development, while the blue colour theme helps a toddler practise colour recognition. Reading aloud the first words to little ones helps develop their language, and the touchable elements, shiny mirror, and small, sturdy, easy-to-grasp pages promote exploration and sensory learning, and build an infant's fine motor skills.

Eyewonder Dinosaurs

Open Your Eyes to a World of Discovery

Spark the love of learning with this picture-packed guide to the incredible world of dinosaurs for children aged 5–7

THE PITCH

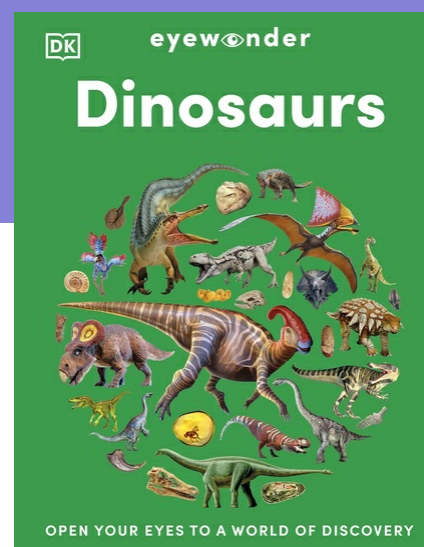

- **MAJOR RELAUNCH:** Sparkling new edition of a beloved series, featuring a fresh new look that will attract our young readers
- **UP-TO-DATE:** Fully updated and revised for children just starting to learn about dinosaurs and the prehistoric world
- **STUNNING IMAGERY:** Eye-catching photographs grab the attention of young readers and keep them coming back for more
- **FACT-PACKED:** Pages full of amazing facts, simple explanations, and fun activities will keep children engaged

THE BOOK

Turn back time to a prehistoric planet ruled by dinosaurs and other reptiles with this fully updated edition of *Eyewonder Dinosaurs* for children aged 5–7.

Imagine a world where giant reptiles roamed everywhere on land, leaving footprints the size of a car. Here you can set out on the hunt with *Allosaurus*, graze on ferns with *Edmontonia*, and thunder through forests with herds of *Argentinosaurus*! But look out for the flying pterosaurs. Use this book on dinosaurs for children to discover how dinosaurs ate, lived, and called out to each other. Find out also how they died out and if they left behind cousins! Plus, with activities such as "Dinosaur danger" and "Name that dinosaur", your kids will be entertained time and again.

DK's best-selling *Eyewonder* series has been refreshed for the next generation of young readers. Budding palaeontologists will feel inspired by the dramatic photographs and amazing artworks, up-to-date information and fact-packed pages, and a brand-new "eyewonder" feature where dino trivia meets modern-day animals. This book is perfect for all curious young minds; brilliant for homework and school projects, or just for fun!

The Maths Adventurers Go Looking for Bugs

Building Multiplication Skills

Sital Gorasia Chapman

Introduces 5-7 year olds to multiplication through an adventure story featuring two robots as they search for bugs

THE PITCH

- **MAKING MATHS ACCESSIBLE:** The relatable storyline encourages children to realise how they use maths every day, and makes a potentially daunting subject more accessible
- **FUN AND EDUCATIONAL:** The mathematical concept of multiplication is woven into an adventure with two robots who go bug spotting, making readers forget they're learning
- **UK CURRICULUM:** Topics covered in the series complement the maths curriculum 5–7-year-olds are taught (Source: GOV.uk, September 2021)
- **SUPPORTING RESEARCH:** Studies show that maths concepts woven into pictures and storylines can promote children's mathematical thinking and introduce foundational maths concepts (Stanford, May 2019)

THE BOOK

Join two friendly and funny robots, Beep and Boots, as they learn all about multiplication and discover that maths is everywhere they look.

Beep and Boots are taking part in the Annual Big Bug Spot, where they're hoping to find lots of creepy-crawlies. As they venture through the woods they spy ten leaves, each being carried by three ants, and seven mushrooms, each with a pair of snails sitting on top! Will they find all the bugs on their spotting cards? And will they finally get to see the rare pink grasshopper? Watch Beep and Boots as they search for bugs – and learn lots about multiplication.

Characterful illustrations and rhyming text bring Beep and Boots to life. Children aged 5–7 will love seeing the adventures the robot duo go on, and will learn key mathematical concepts concerning multiplication in a gentle, fun way. A visual glossary and maths questions at the end of the book reinforce learning and encourage kids to look at the maths they can see in the world around them.

THE AUTHOR

Sital Gorasia Chapman is passionate about making maths fun for kids. She worked in finance before studying Writing for Children at the City Lit. She is the author of *The Maths Adventurers* series with DK and *The Bedtime Boat* with Farshore, which has been shortlisted for The Week Junior Book Awards 2024 in the Wellness category. Her new picture books *Kindness Comes Back* (Farshore) and *Little Spruce* (Sweet Cherry Publishing) will be published later this year.

Hello, Broadway!

A Young Person's Guide to the World of Musical Theatre

Emily Hurd, Michael Mitnick

Visit New York City and take in your first Broadway show. This illustrated soundbook is your guide to the world-famous theatre district!

THE PITCH

- **WIDE APPEAL:** In the 2018-2019 theatre season, 65% of admissions were by tourists, 19% of whom were from countries outside of the US (The Broadway League)
- **EXPERT AUTHOR:** Michael Mitnick is an accomplished playwright and songwriter with both Broadway and Hollywood film credits
- **BILLION DOLLAR BUSINESS:** In the 2023-2024 theatre season so far, almost 6.5 million people have attended a Broadway show with gross ticket sales of nearly \$800 million (The Broadway League)
- **EXCLUSIVE AND ORIGINAL RECORDINGS:** by Broadway stars Jessica Fontana and Santino Fontana (Prince Hans from Frozen, Greg in Crazy Ex Girlfriend)

THE BOOK

Eleanor and Harry's grandparents have just surprised them with tickets to a Broadway show! Join them as they get dressed up and take a train into the city to experience the magic and joy of the theatre for the very first time.

Readers can see what it's like to attend a Broadway show, enjoy the performance, and then head backstage with Eleanor and Harry to meet the actors, dancers and musicians who bring the story to life.

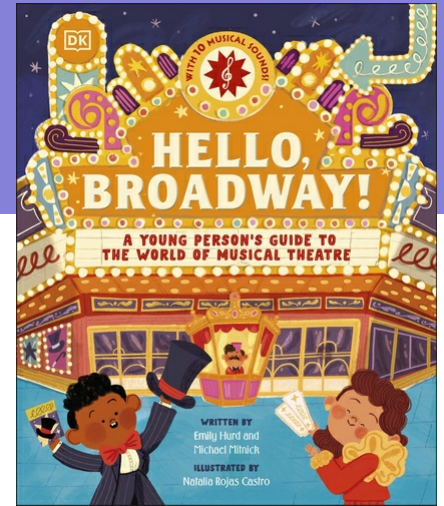

Ten sound buttons play well-known songs, including *Give My Regards to Broadway*, *Puttin' On the Ritz*, and *Manhattan*, to accompany every scene, pull out boxes show the theatre district and typical theatre layouts, while a handy glossary at the end introduces useful terms.

Ideal for caregivers who want to share their love of Broadway with their children, *Hello, Broadway!* is the perfect introduction to the wonderful world of musical theatre for kids aged 5-7.

THE AUTHOR

Michael Mitnick is a playwright and songwriter. Film credits include *The Giver* (Meryl Streep, Jeff Bridges) and *The Current War* (Benedict Cumberbatch, Tom Holland). Theatre credits include *Fly By Night* at Playwrights Horizons and *King Kong on Broadway*. Michael graduated from Harvard and has an MFA in Playwriting from The Yale School of Drama.

Emily Hurd is an entrepreneur and mother of two who lives in New York City. Passionate about musicals and acting since she was a child, she is an avid consumer of theatre and enjoys introducing her children to live performances around New York. Having previously started and served as an executive of several startup companies, she now advises and mentors other business owners. Emily graduated from Harvard College.

The Witches of Anderson House: A Spell for Disaster

Dave Lowe

A winning tale of mischief and magic by the enchanting Jennie Poh and Dave Lowe

THE PITCH

- **BESTSELLING AUTHOR:** Dave Lowe is a bestselling and award-winning children's author of 11 books, three plays, and has recently turned to screenwriting
- **AWARD-WINNING ILLUSTRATOR:** Fantastically talented author and illustrator Jennie Poh was the 2021 Giverny Book Award Winner and is a 2023 Mom's Choice Gold Award recipient
- **ORIGINAL IDEA:** A charming and completely original concept, Anderson House is a retirement home full of witches and their hilarious, magical escapades
- **CHARMING MESSAGE:** Touching on confidence, sisterhood and being true to ourselves, these books give a magic message on every page

THE BOOK

Myrtle Stormwhisper is certain of one thing: she has given up magic for good. But when a knock at the door calls for her to pick up her wand again, she doesn't know if she can. It's been so long since Myrtle has cast a spell – what if she's forgotten how?

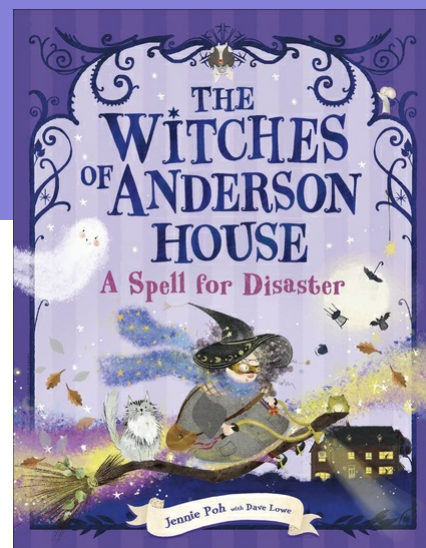

Some very strange characters live in Anderson House, retirement home for witches, and one of them is the magnificent Myrtle Stormwhisper. Join Myrtle as she learns how to find her magic again – all with the help of her witchy friends, of course.

So, grab your broom and get ready for an adventure like no other, because things do go bump in the night – and they live at Anderson House! The first book in a beautiful new series, created and illustrated by the enchanting illustrator Jennie Poh, and written by the fantastically talented Dave Lowe.

THE AUTHOR

Dave Lowe grew up in a town called Dudley, in England. He has lived in Turkey and Malaysia and now lives (with his wife, two teenage daughters and a mini sausage dog called Ted) in Brisbane, Australia.

Jennie Poh studied Fine Art at The Surrey Institute of Art & Design, alongside illustration courses at Central St Martins, before becoming a children's book author and illustrator. She was the 2021 Giverny Book Award Winner and the 2023 Mom's Choice Award Gold Recipient.

Good Bits

Bits of Stories. Endless Fun.

Kes Gray

Tales for kids who love the unexpected, this highly original collection of short stories demands to be read

THE PITCH

- **BESTSELLING AUTHOR:** Kes Gray is an award winning author of bestselling children's books, like *Oi Frog!*. Kes's books have sold over 3 million copies worldwide (Penguin.co.uk)
- **ENGAGING FORMAT:** An early chapter book with intriguing illustrations to ignite creativity in budding authors and artists to continue the adventure themselves
- **SHARED STORYTELLING:** Shorter stories with exciting plots encourage shared storytelling, which is beneficial for developing language skills (Altamimi, M. O., & Ogdol, R., 2023)
- **AWARD-WINNING ILLUSTRATOR:** Ruby Wright's vivid illustrations were shortlisted for the 2024 Bologna Illustrator's Exhibition and have won a number of prizes

THE BOOK

This imaginative collection of engaging short stories is perfect for *all* kids, from those who love reading, to those who struggle with books.

From a spaceship flight into a Black Hole, to a town plagued by zombie beavers; from a magical pen that knows all the answers to a test, to a crochet-loving pirate; this collection of original short stories by bestselling author Kes Gray will excite and inspire young readers not only to read on, but also to write and illustrate their own stories.

Fast-paced and action-packed, Good Bits is ideal for kids who need a bit of encouragement to keep them reading. The layout, clever use of typography and illustrations make the stories exciting and approachable, and the short story form is perfect for a quick adventure somewhere new. Written by award-winning children's author Kes Gray, Good Bits is exactly that – the brilliant characters, actions and settings that together spin a story that demands to be read.

THE AUTHOR

Kes Gray exploded onto the bookshelves with his debut, prize-winning picture book, *Eat Your Peas*, but is also a successful chapter book author too. Kes is committed to making children laugh, think, and feel, and parents, carers, and teachers use his books to get children hooked on reading.

Ruby Wright studied sculpture, worked at the BBC, and took a foray into printmaking before embarking on a career in picture books. She tries to draw from life every day and her debut book, *Animal Crackers* was published in 2023 by Rocket Bird Books and nominated for the Klaus Flugge Prize.

A Kids Book About Food

Asma Khan

An accessible and empowering book about food, designed to inspire thoughtful conversations between kids and grownups.

THE PITCH

- **CONVERSATION STARTER:** An accessible, informative and uplifting conversation about food, written to empower the next generation.
- **AUTHOR EXPERTISE:** Asma is the founder of Darjeeling Express and star of Netflix's Chef's Table. She is one of the UK's most prominent female chefs and a force for social change within the food industry.
- **APPROACHABLE & CHILD-FRIENDLY:** Type-driven design allows kids freedom to imagine themselves in the pages with friendly, approachable, and kid-appropriate tone throughout
- **DIVERSE & INCLUSIVE STORYTELLING:** A Kids Co. was born with a mission to empower a generation of kids through diverse storytelling. The series features an incredible group of authors who are experts or have first-hand experience of the topic.

THE BOOK

An accessible and empowering conversation starter about food!

Food is an integral part of each of our lives. Food represents our culture, our family traditions, and connects us to people we love, here and across the world. And, food is so much more than what fuels our bodies—when we prepare food, no matter how big or small, we share something of ourselves with those around us.

A Kids Book About is an imprint of DK, focused on beautifully designed books that kickstart challenging, empowering, and important conversations for kids and their grownups.

THE AUTHOR

Asma Kahn is the founder of Darjeeling's Express, the only all-female Indian kitchen in the world. Her commitment to great food, championing underrepresented voices, and philanthropic work underline the entirety of her career.

Launching her public-facing cooking career in her forties, Khan held a supper club in her home in 2012, with all the money raised going to charity. The women who were to become Darjeeling Express' chefs were live-in nannies, generally from South Asia, who worked for families in Khan's area of London. Khan began inviting them to her house to watch Indian soap operas, drink tea, and eat samosas, and, after learning about the supper clubs, they asked if they could help.

Kahn is a bestselling author, including her cookbooks Asma's Indian Kitchen and Ammu, which is inspired by her mother. In 2022, Khan was chosen as a United Nations World Food Programme Chef Advocate for her work in raising awareness of the global hunger crisis and the role of women's empowerment in transforming communities.

Cabin Head and Tree Head

Scott Campbell

Cabin Head and Tree Head are best friends - and they're a little bit odd

THE PITCH

- **GRAPHIC NOVEL FORMAT:** Over 40% of kids aged 8-18 reported reading graphic novels at least once a month in 2023 (National Literary Trust)
- **STRONG AUTHOR PLATFORM:** Scott Campbell is a well-known and beloved children's book author and illustrator
- **INTERNATIONAL APPEAL:** With rights having sold in the US, Canada, and the Netherlands, this is a series with wide appeal
- **UNIQUE AND MEMORABLE CHARACTERS:** Hilarious and imaginative characters, Cabin Head and Tree Head, are sure to capture the imaginations of young readers

THE BOOK

I feel a case of the HELLOS coming on...So say HELLO to your new best friends: Cabin Head and Tree Head.

Best buddies Cabin Head and Tree Head do everything together, from supporting each other's ideas (hunting for treasure without a map) to overcoming terrible challenges (bad haircuts). Complete opposites, but equally bizarre, they understand that the secret to friendship is accepting the other completely as they are (and eating tacos together).

A wacky, original concept, Scott Campbell's bright, expressive artwork combines with his unique sense of humour to create hilariously endearing characters and stories that young readers will love. Written in an accessible and easy to read graphic novel format, this is a wonderful gateway for young readers, and perfect for those who struggle with reading.

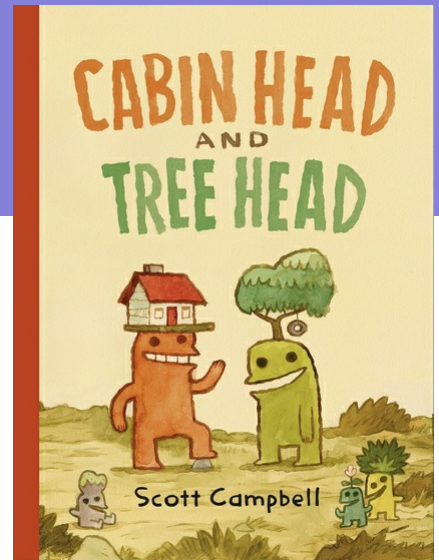

'Hahahahahahaha' – Jon Klassen

'I laughed my head off!' – Ben Clanton

'This book is so ridiculous and brilliant that I'm kind of freaking out.' – Drew Daywalt

An Anthology of Christmas

Celebrate the magic of Christmas and discover the history of more than 50 yuletide traditions

THE PITCH

- **UNIQUE APPROACH:** Offers a fresh perspective on the Christmas festival
- **CHRISTMAS BOOKS ARE BIG SELLERS:** Children love Christmas – this book taps into the excitement that surrounds this festival while encouraging learning about the natural world
- **GIFT BOOK:** A quality gift – perfect for Christmas – with metallic foil on the jacket, a ribbon, gilded edges, and head and tail bands
- **NEXT IN BEST-SELLING SERIES:** Part of the hugely successful Anthology series that includes *An Anthology of Intriguing Animals*, which has sold more than 40,000 copies in the UK (Source: Nielsen Bookscan, July/2024)

THE BOOK

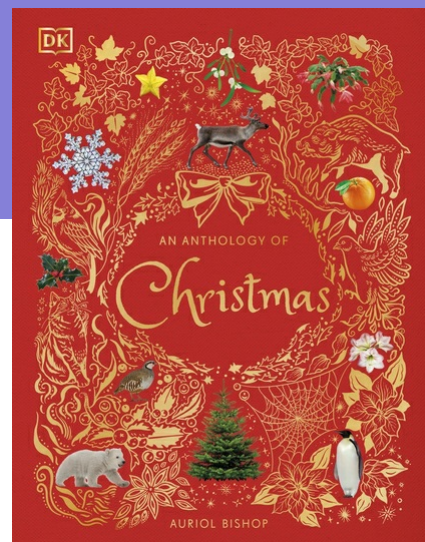

This latest title in the hugely popular Anthology series is a treasure-trove of Christmassy facts from the natural world – each with their unique story to tell – from why the traditional Christmas tree is usually a pine, spruce or fir to the Yule Goat, a lively character found throughout Scandinavia who likes to demand gifts!

Stunning photography and gorgeous illustrations complement storybook descriptions about each example, and children can uncover hundreds of fascinating facts as they read. Did you know that the custom of kissing under the mistletoe originates from Norse mythology, or that the Christmas wreath has its origins from ancient times when people hung evergreen boughs over their doors and windows?

With foil on the cover, gilded edges, and a ribbon for keeping your place, *An Anthology of Christmas* makes an attractive gift for any child who can't get enough of the festival of Christmas, but with a unique, quirky approach – and it's perfect for young readers to explore by themselves or for bedtime stories.

Furysong

Rosaria Munda

This conclusion to the trilogy, sees Annie and Lee fight as dragonfire threatens to burn their home down.

THE PITCH

- **CONCLUSION TO POPULAR SERIES:** Furysong is the epic final instalment to the sensational Aurelian Cycle series
- **BOOKTOK SENSATION:** This series has taken BookTok by storm and received thousands of five star reviews
- **TRENDING GENRE:** Fantasy / Romantasy was the hottest genre of 2024, and is thought to soar in 2025, too
- **ESTABLISHED AUTHOR:** Rosaria Munda is a well-established and well-loved author in the US, now it's time to bring her extraordinary series to the UK

THE BOOK

Annie and Lee once dreamed of rebuilding their city, but as war rages on two fronts, they must now fight to save it or watch it crumble into ash.

In New Pythos, Griff stands trial for treason. His fate seems sealed, but not everyone wants to see him fall. Allies on both sides are scheming to save him, though their plans could cost them dearly.

Back in Callipolis, Annie faces her greatest challenge yet: uniting a divided city against a powerful enemy. With famine spreading and the shadow of the triarchy looming, she must prove she's the leader her people need – before it's too late.

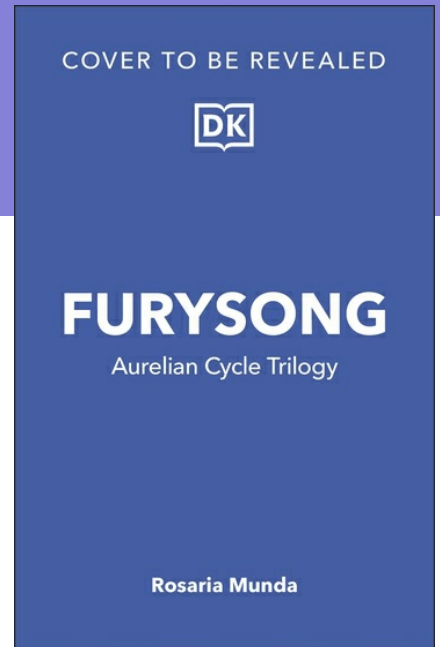

For Lee, revolution is no longer just about dragons and fire. He faces a battle of wits with those who see Callipolis's struggle as an opportunity to seize power. To protect the city, and the people he loves, he'll have to balance his ideals with the hard realities of war.

As enemies close in from every side, Annie and Lee will have to make impossible choices. Will they save their city, even if it means losing each other? Or will the flames of rebellion destroy everything they've fought to protect?

An electrifying conclusion to the trilogy, this final chapter is a story of hope, sacrifice, and the unbreakable bonds that define us – even in the face of fire.

THE AUTHOR

Rosaria Munda grew up in rural North Carolina, studied political theory at Princeton and Oxford, and lives with her family in Florida. She is the author of YA trilogy The Aurelian Cycle (Fireborne, Flamefall, and Furysong) and the middle grade series Confessions of a Junior Spy (Feiwel & Friends, 2025).

You've Got This! Treetop Zip-Line Adventure

Pick Your Own Adventure

Becky Baines (Contributor)

Exciting pick-your-path adventure series for kids to practise making good choices and learn character-building skills

THE PITCH

- **CHARACTER EDUCATION:** The *You've Got This!* series helps readers develop the core competence areas defined in the Character Education Framework. Making this kind of learning positive, fun and effective, these books are perfect supplementary material for schools
- **SUPPORTS LITERACY:** Children will want to revisit these books time and again to choose different paths through the adventures
- **UNIQUE APPROACH:** Using a pick-a-path narrative will give children agency and will help them learn about consequences of choices
- **COMPELLING STORYLINES:** The books will resonate with children aged 8–11 years old, as they make real-life choices in amazing storyscapes

THE BOOK

Normally, Ben Campbell can't wait to head off to summer camp to reunite with his three BFFs: Marie, Cori, and Ant. But this year is going to be different. Now they are in teen camp and will have to participate in a week-long Colour Wars competition. While activities like quad-bike racing and whitewater rafting may sound like a dream to most teens, Ben is dreading them. To make matters worse, the week culminates in his absolute worst fear: the high ropes course and zip-line challenge. Can Ben face his fears and help his team win the coveted Camp Champ trophy? Navigate the paths of courage, loyalty, and teamwork... What will you decide?

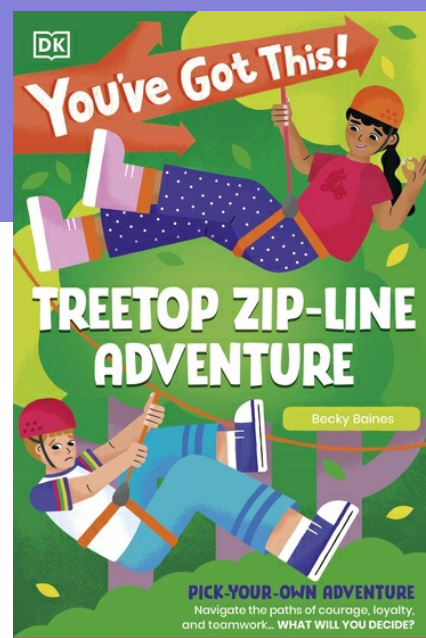

Exciting, high-interest topics make these books page turners for kids, keeping them reading, and giving them agency, as they control the story based on their own high-stakes choices - all while learning character-building skills and principles.

Children will love the funny and irresistibly page-turning narrative, and will want to revisit this book time and time again to choose the multiple different paths through the adventures. Through reaching a series of desirable outcomes or teachable moments, they'll practise making decisions, and learn about the consequences of choices. Survival and success is up to them!

A section at the back of the book explores the target character traits and includes a series of questions for discussion.

Against the Odds: Hurricane Katrina

Decodable tales of survival against the odds for striving readers aged 10–14

THE PITCH

- **DECODABLE TEXT:** Decodable text makes the story accessible for striving readers and sets us apart from other Hi-Lo books
- **BOOSTS SPELLING AND COMPREHENSION:** A focus on prefixes, suffixes and word roots enhances reader's decoding, spelling and vocabulary
- **ENGAGING STORYLINES:** The stories in the *Against the Odds* series follow historical fiction narratives - inspired by true events - to engage and motivate reluctant readers
- **CLEAR MARKET NEED:** High percentage of children reading below age level

THE BOOK

When Hurricane Katrina hits the city of New Orleans, Jake and his grandma are stranded in their home. How will they escape the rising floodwaters and avoid the chaos and destruction that follows?

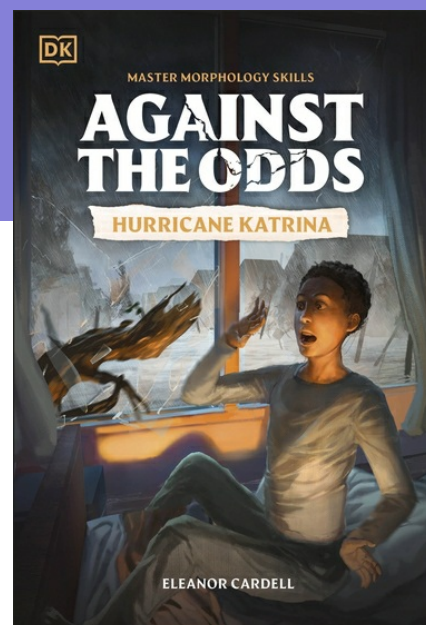

This book is part of the *Against The Odds* series, a captivating series of fictional - but inspired by true events - Hi-Lo chapter books tailored for striving readers aged 10–14. Each title in this collection unravels the extraordinary experiences of young people overcoming incredible challenges. Whether it's facing the unknown or triumphing against the odds, these stories are both riveting and inspiring.

The series is carefully written with a focus on morphology, which is hugely important for improving spelling and reading comprehension. *Against the Odds: Hurricane Katrina* focuses on negative prefixes.

Serving as a vital bridge between decodable and mainstream books, this book will empower readers to confidently understand meaning from text alone, allowing them to become fluent independent readers.

Taylor in London The Fan's Guide to the City

The ultimate London travel guide for Taylor Swift fans, featuring every must-see Swift-related spot in London.

THE PITCH

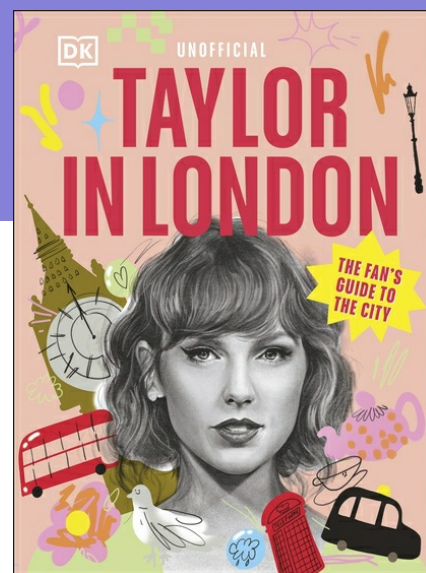

- **TAYLOR AND LONDON:** This book features 50 places associated with the star, plus suggested walking tours, so fans can follow in her footsteps
- **POP CULTURE PHENOMENON:** Taylor Swift is a global icon, selling over 114 million records, performing to over 4.3 million people on her 2024 Eras tour, and winning 14 Grammys (so far)
- **LONDON TOPS THE TRAVEL CHARTS:** Google data from every available country has found that London is the most popular year-round destination, topping both summer and winter survey data
- **TRAVEL, WITH A TAYLOR TWIST:** in a busy London guidebook market, this is a fun take on touring the city, appealing to Taylor-loving tourists and locals alike

THE BOOK

London: it's a stand-out city, right? Ask any Taylor Swift fan and they're sure to say yes. Taylor's popped up across various London neighbourhoods over the years – and she performed a record-breaking eight times here on her 2024 tour. It's safe to say the city has captured her heart on more than one occasion.

So while most travel guides will take you to Buckingham Palace or the Tower of London, this one introduces you to the places that every fan needs to visit. Like the pub that features in *that* song, the studio Taylor recorded at, the kebab shop she ate in (and featured in a music video). From long walks on leafy Hampstead Heath to vintage shopping trips along Portobello Road, there's more to discover than the stadiums on the Eras tour (though they're worth visiting too).

Perfect as a gift or a personal keepsake, this guide will delight anyone who's ever wished to get a little closer to their favourite singer's world. If you're a die-hard fan, this is your must-have companion for exploring London in a whole new way.

Walking the Camino de Santiago

Find your path on the Way of St James

An overview of the most popular Camino routes, highlighting the sights, history and special moments of each

THE PITCH

- **THE PERFECT INTRODUCTION:** The most popular Camino routes are described with stage-by-stage breakdowns, suggestions for places to eat, drink and stay, and safety tips for walkers
- **CULTURAL INSIGHTS:** Historical background and cultural insights showcase the unique appeal of each route, creating a book that is as good for planning as it is a wonderful memento
- **CAMINO POPULARITY:** Nearly half a million pilgrims completed the Camino de Santiago in 2023, with an annual growth rate of over 10 percent (Oficina del Peregrino, 2024)
- **PILGRIMAGES ARE TRENDING:** Record numbers are taking up multi-day hikes focused on spiritual exploration and cultural heritage; the Global Wellness Summit named pilgrimages a wellness trend for 2024 (Global Wellness Summit, 2024)

THE BOOK

Embark on a journey like no other.

The Camino de Santiago, or the Way of St James, is one of the most famous pilgrimage routes in the world. Leading to the shrine of St James in Spain's Santiago de Compostela, this historic journey has been undertaken by millions of people from all walks of life, for reasons that range from the religious to the recreational.

Many roads lead to Santiago de Compostela, but which one should you take? *Walking the Camino de Santiago* delves into the eight most popular routes, each with its unique charms and challenges. From the Camino del Norte to the Camino Francés, discover each route's history, sights and natural attractions, as well as practical tips, stage-by-stage breakdowns and suggestions for places to eat, drink and stay along the way.

Whether you seek a religious pilgrimage, a cultural adventure or a personal retreat, this book is the perfect introduction to the timeless Camino de Santiago.
